## **Race And Community Care:**

**'Race' and Community Care** Waqar Ihsan-Ullah Ahmad, Karl Atkin, 1996 This book is the first critical introduction to the area of race and community care and thus fills an important gap in existing literature The first part of the book considers the racialized constructions of community and provides a historical account of the relationship between state welfare and minority ethnic communities Part two focuses on the nature of family obligations and the processes of social change Part three provides case studies in race and community care by focusing on disability mental health cash for care and the role of the voluntary sector Black Communities: who Cares? London Group on Race Aspects of Community Care, 1991 **Race and representation** Shamit Sagar, 2024-06-04 The central concern of Race and representation is the political integration of Britain's ethnic minorities The book provides a direct and extensive comparison between the voting behaviour of ethnic minorities and the electorate as a whole Newly available in paperback the book pioneers innovative use of the British Election Study and features the results of the 1997 ethnic minority election study It also contains an in depth look at party strategy with regard to ethnic minorities ethnic minority attitudes on key issues and policies and the lessons to be learned from the performance of black and Asian parliamentary candidates In particular the analysis aims to uncover whether electoral abstention orientation towards issues and party alignment are primarily circumstantial as existing research suggests is the case among the white population It is a major re examination of the role of ethnicity in shaping political outlook and voting choice The book will be essential reading for students teachers and scholars interested in the involvement of Britain's ethnic minorities in the democratic process It will also have extensive appeal among activists policy makers and opinion formers concerned with ethnic diversity race relations and political inclusion *Bathing - the Body and Community Care* Julia Twigg, 2002-01-04 Community care lies at the intersection of day to day life and the public world of service provision Using the lens of one particular activity bathing this book explores what happens when the public world of professionals and service provision enters the lives of older and disabled people In doing so it addresses wider issues concerning the management of the body the meaning of carework and the significance of body care in the ordering of daily life Bathing the Body and Community Care provides an engaging text for students and will be of interest to a wide range of audiences both social science and health science students and nursing and allied professionals **Welfare And Policy** Neil Lunt, Douglas Coyle, 2013-10-15 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

**Understanding 'race' and Ethnicity** Craig, Gary, Atkin, Karl, 2012-02-22 Most societies in the developed world are now multicultural but their welfare systems have largely failed to address the issues and tensions associated with the growth of minority ethnic populations Taking the United Kingdom as an exemplary case study Understanding Race and Ethnicity combines historical and theoretical approaches to the study of the intersection of race and welfare and examines how minorities experience welfare in a range of settings Informative and inspiring this book will be essential for anyone striving

to build a society that is equal inclusive and just for all      **Provision of Health Care to the Poor in the U.S.** Geraldine D. Nowak,1976      **Race and Culture in Psychiatry (Psychology Revivals)** Suman Fernando,2014-10-14 As psychiatry has developed it has proved to be susceptible to the influence of contemporary social and political mores With its origins in nineteenth century Europe psychiatry evolved as an ethnocentric body of knowledge the vehicle of implicit and overt racism Originally published in 1988 this author however saw no reason why the contemporary psychiatrist should not challenge this ethnocentrism He provides a critical account of the development of psychiatry in relation to its cultural context and then examined contemporary practice of the time in the light of this development Throughout the book is informed by an awareness of issues of race and culture and of their difficult interactions the author emphasising both the frequency of racist attitudes and the very real cultural distinctions in our society distinctions that can be used to mask what are actually racist sentiments What emerges is not just a plea for an anti racist culture sensitive psychiatry but a blueprint for how this can be brought about He argued that the shift towards community work and social psychiatry could reorientate the profession by confronting it with its social setting and responsibilities This book represented a significant contribution to this literature for all mental health professionals and social scientists with an interest in this field at the time the author has gone on to write many more      Race, Ethnicity, and Health Thomas A. LaVeist, Lydia A. Isaac,2012-10-16 Race Ethnicity and Health Second Edition is a critical selection of hallmark articles that address health disparities in America It effectively documents the need for equal treatment and equal health status for minorities Intended as a resource for faculty and students in public health as well as the social sciences it will be also be valuable to public health administrators and frontline staff who serve diverse racial and ethnic populations The book brings together the best peer reviewed research literature from the leading scholars and faculty in this growing field providing a historical and political context for the study of health race and ethnicity with key findings on disparities in access use and quality This volume also examines the role of health care providers in health disparities and discusses the issue of matching patients and doctors by race New chapters cover reflections on demographic changes in the US based on the current census metrics and nomenclature for disparities theories of genetic basis for disparities the built environment residential segregation environmental health occupational health health disparities in integrated communities Latino health Asian populations stress and health physician patient relationships hospital treatment of minorities the slavery hypertension hypothesis geographic disparities and intervention design      **The International Handbook of Black Community Mental Health** Richard J. Major, Karen Carberry, Theodore S. Ransaw,2020-06-08 This international handbook addresses classic mental health issues as well as controversial subjects regarding inequalities and stereotypes in access to services and misdiagnoses It addresses the everyday racism faced by Black people within mental health practice      **Race, Ethnicity, and Language Data** Institute of Medicine, Board on Health Care Services, Subcommittee on Standardized Collection of Race/Ethnicity Data for Healthcare Quality Improvement,2009-12-30

The goal of eliminating disparities in health care in the United States remains elusive Even as quality improves on specific measures disparities often persist Addressing these disparities must begin with the fundamental step of bringing the nature of the disparities and the groups at risk for those disparities to light by collecting health care quality information stratified by race ethnicity and language data Then attention can be focused on where interventions might be best applied and on planning and evaluating those efforts to inform the development of policy and the application of resources A lack of standardization of categories for race ethnicity and language data has been suggested as one obstacle to achieving more widespread collection and utilization of these data Race Ethnicity and Language Data identifies current models for collecting and coding race ethnicity and language data reviews challenges involved in obtaining these data and makes recommendations for a nationally standardized approach for use in health care quality improvement Understanding 'race' and ethnicity Craig, Gary, Atkin, Karl, 2012-02-22 Many welfare states are now struggling to deal with the issues and tensions raised by the growth of minority ethnic populations and increasing ethnic diversity The fact that most societies in the developed world are now multicultural raises many challenges for policy and for the delivery of welfare services which most states have yet to address retreating into forms of institutional racism to deny minorities the services they need Using the UK as an exemplary case study this much needed book combines historical and theoretical approaches to the issue of race and ethnicity within welfare provision including an examination of how minorities experience welfare in a range of service settings The book inspires new ways of approaching welfare and social policy in anticipation of a society that is equal inclusive fair and just for all and will make essential reading for students researchers practitioners and policy makers

*Law, Rights and Disability* Jeremy Cooper, 2000-12-01 This comprehensive volume assesses the relationship between legal rights and disability and the effect of law legal process and third party professional intervention on the lives of people with disabilities The contributors who are all either academics or other professional experts in their field write in a jargon free accessible style **Migration, Ethnicity, Race, and Health in Multicultural Societies** Raj S. Bhopal, 2014 This book discusses the concepts of migration race and ethnicity and demonstrates how these can be applied in scientific research policy making health service planning and health promotion Extensive examples are used to demonstrate the application of the theory **Literature Search** National Library of Medicine (U.S.), 1976 Tackling institutional racism Penketh, Laura, 2000-10-11 The publication of the Inquiry into the murder of Stephen Lawrence emphasised the institutionally racist nature of British society Public bodies and welfare institutions are having to face the consequences of racism within their organisations This task should draw on the earlier experience of the Central Council for Education and Training in Social Work's CCETSW anti racist agenda whose initiative came under attack from government ministers media commentators and sections of the social work profession This book describes and analyses the development of anti racist social work education and training and moves on to a broader debate it critically assesses the concept of race the historical development and

maintenance of racism in contemporary British society exploring race related legislation and its theoretical underpinnings it offers an historical exploration of the role of social work and its relationship with and response to the needs of deprived and marginalised communities it provides an assessment of the backlash against CCETSW's anti racist developments from politicians the media and sections of the social work profession incorporating a debate regarding charges of political correctness Issues such as political correctness and identity politics are critically explored and the implications of these political processes on the anti racist policy agenda are assessed The analysis reflects on both the possibilities and limitations placed on establishing anti racist policies Tackling institutional racism will be of particular interest to Diploma in Social Work students social work practitioners and academics social policy undergraduates and postgraduates It should also be read by professionals at different levels in the policy making process particularly those working directly with acting on behalf of or pursuing the interests of the black community

### **Healthcare Disparities at the Crossroads with Healthcare Reform**

Richard Allen Williams, 2011-03-23 Building upon the success of Dr Williams's widely influential book *Eliminating Healthcare Disparities in America* Beyond the IOM Report this new volume takes a fresh and timely look at the state of healthcare reform and the progress and problems we face in the pursuit of healthcare equality This book focuses on how the elimination of disparities can be accomplished through targeted efforts made within the context of reform Comprising the combined efforts of the nation's best health policy analysts researchers key opinion leaders and clinicians this book addresses both current and impending legislation and future movements in healthcare With the knowledge that the problem of disparities extends beyond the present political arena into the larger scope of all aspects of healthcare delivery the authors provide critical analysis of the causation of disparities insightful examples of what has worked and a striking call to action with implementable strategies for advancing equality
