Drive to Win The apostle Paul compared the Christian life to a race and races are meant to be won Put yourself into the driver s seat and keep an eye out for the green flag Like a NASCAR driver you ll need all the skill guts and heart in the world and that s where Winning the Race Every Day comes in These daily readings one for every day of the year will inspire and train you to drive the race of your life with boldness courage and an unquenchable longing to know God Each day s short meditation ends with a Pit Stop prayer promise praise or point to ponder that will supercharge you for the next lap So drive your life this year as if the finish line is just around the next curve That s the only way to win **The Rise, Race, and**

Talking about Race Isaac Adams,2022-01-04 Conversations about racism are as important as they are hard for American Christians Yet the conversation often gets so ugly even among the faithful who claim unity in Jesus Why is that the case Why does it matter Can things get better or are we permanently divided In this honest and hopeful book pastor Isaac Adams doesn t just show you how to have the race conversation he begins it for you By offering a fictional racially charged tragedy in order to understand varying perspectives and responses he examines what is at stake if we ignore this conversation and why there s just as much at stake in how we have that discussion especially across color lines that is with people of another ethnicity This unique approach offers insight into how to listen to one another well and seek unity in Christ Looking to God s Word Christians can find wisdom to speak gracefully and truthfully about racism for the glory of God the good of their neighbors and the building up of the church Some feel that the time for talking is over and that we ve heard all this before But given how polarized American society is becoming its churches not exempt fresh attention on the dysfunctional communication between ethnicities is more than warranted Adams offers an invitation to faithfully combat the racism so many of us say we hate and maintain the unity so many of us say we want Together we can learn to speak in such a way that we show a divided world a different world Talking About Race points to the starting line not the finish line when it comes to following Jesus amid race relations It s high time to begin running **An Account of the Polynesian Race** Abraham Fornander,1885
