special occasion for the sake of which it was first prepared Yet each one of them also states opinions which from my own point of view make it a part of an effort to apply to some of our American problems that general doctrine about life which I have recently summed up in my book entitled *The Philosophy of Loyalty* In the light of that philosophy I therefore hope that the various special opinions here expressed may be judged This book I regard as an auxiliary to its more systematic predecessor *About the Publisher* Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
