

RACHEL WEEPING

**The Case
Against
Abortion**

James T. Burtchae II

Rachel Weeping The Case Against Abortion

Michael L. Brown, PhD, Paul W. Ferris

Rachel Weeping The Case Against Abortion:

Rachel Weeping James Tunstead Burtchaell,1982 A leading Catholic scholar investigates the abortion issue and looks at personal accounts as well as pro abortion arguments Rachel Weeping and Other Essays on Abortion James Tunstead Burtchaell,1990 *Abortion-- Murder Or Mercy?* François B. Gérard,2001 This book is meant to provide an overview of and gather the literature on abortion one of the most divisive issues of our times Honest women and men the world over must deal with this issue in their hearts and minds whether or not they ever face the issue personally It is hard to conceive of a single thinking person who doesn't have an opinion on abortion usually strongly held The arguments are cogent on both sides of the issue We hope that this collection will bring to the attention of readers the publications which shed light on the fundamental issues involved Abortion and Morality Debate in the African Context George Kegode,2010 George Kegode in this book has presented a wide range of critical reflections on one of the most controversial moral issues of our times the intentional and deliberate termination of the life of the unborn human being Presented from the point of view of an African scholar George Kegode's work marshals undisputable evidence of the humanity of the unborn right from the moment of conception He argues in favour for the fundamentally inviolable right to life for this unique unrepeatable being With vast light of philosophical reason this book tackles the often asked questions on the subject of abortion from a moral perspective The author's arguments cover social ethical eugenic as well as therapeutic issues Occasionally these have been the basis of moral relativism and subjectivism in the abortion debate contemporarily Kegode's argument represents an attempt to navigate this debate from a wide spectrum of ethical theories while at the same time remaining faithful to moral objectivity

Philemon's Problem James Tunstead Burtchaell,1998 Philemon was a wealthy Christian whose slave Onesimus went off in search of freedom met and listened to Paul and joined the church But instead of being given a new life of his own Onesimus was sent back by Paul to an aggrieved master with no protection but his mentor's brief Letter to Philemon Paul never asked Philemon to free his slave Instead he admonished him to take Onesimus back only now as his brother in Christ This left both master and bondsman with a problem how could one man own another and both be brothers in Christ In this unique work James Tunstead Burtchaell uses the ancient story of Philemon and Onesimus as a compelling entry into modern theological reflection on the unbelievable reach of the grace and forgiveness of the Father whose Son died without disciples rose to reconcile and transform them and then scattered them around the world as men and women who were now also able to love those who loved them not and transform them too According to Burtchaell in order for the faith of Philemon and Onesimus to cope with Paul's imperative they required an inspired imagination to take in the notion that the Father loves sinners i.e. all of us and he neither would nor could do otherwise For Philemon and Onesimus to undertake such a relentless love themselves would require frighteningly new convictions new commitments and new celebrations **Abortion from the Religious and Moral Perspective:** George F. Johnston,2003-03-30 For approximately three decades the abortion debate has polarized

America Views range from the extreme conservative position that all abortions are morally objectionable to the extreme liberal position that abortion throughout all nine months of pregnancy is acceptable In the middle are those who advocate laws limiting the number of valid reasons for abortion This comprehensive volume includes bibliographic citations that address the moral and religious aspects of abortion It covers such topics as the various arguments both for and against abortion the status of the fetus and overviews of several religions stances on abortion Citations also include references on how Christianity has influenced abortion politics and law discussions of Operation Rescue and official statements on abortion by the Catholic Church and several Protestant denominations Researchers as well as anyone interested in the moral and religious elements of abortion will find this resource invaluable It covers the literature on abortion and religion found in books essays journal articles academic dissertations and Web sites And unlike many of the available bibliographies this one focuses only on the religious and moral issues therefore providing greater depth on those two issues within one work

Abortion after Roe Johanna Schoen, 2015-09-28 Abortion is and always has been an arena for contesting power relations between women and men When in 1973 the Supreme Court made the procedure legal throughout the United States it seemed that women were at last able to make decisions about their own bodies In the four decades that followed however abortion became ever more politicized and stigmatized Abortion after Roe chronicles and analyzes what the new legal status and changing political environment have meant for abortion providers and their patients Johanna Schoen sheds light on the little studied experience of performing and receiving abortion care from the 1970s a period of optimism to the rise of the antiabortion movement and the escalation of antiabortion tactics in the 1980s to the 1990s and beyond when violent attacks on clinics and abortion providers led to a new articulation of abortion care as moral work As Schoen demonstrates more than four decades after the legalization of abortion the abortion provider community has powerfully asserted that abortion care is a moral good [The Abortion Debate in the United States and Canada](#) Maureen Muldoon, 2021-03-19 First published in 1991 Over the last twenty five years or so the debate on abortion has not moved any closer to resolution in either the United States or Canada The courts the legislatures the pulpits the classrooms the hospitals and clinics and the media have provided the forums for this on going struggle Two groups of activists have dominated the debate The opponents of abortion who are referred to as anti abortion or pro life advocate restrictive policies on abortion while the pro choice groups direct their attempts to creating a permissive policy that allows a woman to make her own decision The anti abortion advocates and the pro choice advocates alike have learned the skills and developed the strategies to advance their own positions Whatever legal and public policy gains are made by one side are often countered by moves from their opponents There is available a vast amount of material related to the topic of abortion From the extensive and diverse literature this book draws a collection of relevant materials primarily representing aspects of the sociological philosophical religious and legal aspects of the abortion issue Its purpose is to serve as a source bode for those interested in seeing how the abortion debate has been conducted

within the recent past The book also serves as a reference work for further study Rethinking Abortion Mark Graber, 1999-03-23 Mark Graber looks at the history of abortion law in action to argue that the only defensible constitutional approach to the issue is to afford all women equal choice abortion should remain legal or bans should be strictly enforced Steering away from metaphysical critiques of privacy Graber compares the philosophical constitutional and democratic merits of the two systems of abortion regulation witnessed in the twentieth century pre Roe v Wade statutory prohibitions on abortion and Roe's ban on significant state interference with the market for safe abortion services He demonstrates that before Roe pro life measures were selectively and erratically administered thereby subverting our constitutional commitment to equal justice Claiming that these measures would be similarly administered if reinstated the author seeks to increase support for keeping abortion legal even among those who have reservations about its morality Abortion should remain legal Graber argues because statutory bans on abortion have a history of being enforced in ways that intentionally discriminate against poor persons and persons of color In the years before Roe the same law enforcement officials who routinely ignored and sometimes assisted those physicians seeking to terminate pregnancies for their private patients too often prevented competent abortionists from offering the same services to the general public This double standard violated the fundamental human and constitutional right of equal justice under law a right that remains a major concern of the equal protection clause of the Fourteenth Amendment *The Politics of Virtue* Elizabeth Mensch, Alan Freeman, 1993 Fiercely committed to the separation of church and state thoroughly pluralistic largely secular Where does a society like ours find common terms for conducting a moral debate In view of the crises surrounding the issue of abortion it is tempting to answer nowhere In this timely and provocative book Elizabeth Mensch and Alan Freeman urge that we challenge the extremes of both the pro life and pro choice views of the abortion issue and affirm the moral integrity of compromise Attempting to restore a level of complexity to the discussion and to enrich public debate so that we may move beyond our current impasse the authors argue that it is essential to understand how issues of legal rights and theological concerns interact in American public debate Returning to the years leading up to Roe v Wade Mensch and Freeman detail the role of religion and its relationship to the emerging politics of abortion Discussing primarily the natural law tradition associated with Catholicism and the Protestant ethical tradition the authors focus most sharply on the 1960s in which the present terms of the abortion debate were set In a skillful analysis they identify a variety of factors that directed and shaped the debate including among others the haunting legacy of Nazism the moral challenge of the civil rights movement the God is dead discourse school prayer and Bible reading Harvey Cox's *The Secular City* the Berrigans and Vietnam the animal rights movement and the movement of the church going population away from mainstream Protestant tradition toward evangelical fundamentalism By criticizing the rhetoric employed by both the pro choice and pro life camps Mensch and Freeman reveal the extent to which forces on either side of the issue have failed to respond to relevant concerns Since Roe v Wade the authors charge public debate has seemed to

concede the moral high ground to the pro life position while the pro choice rhetoric has appeared to defend an individual s legal right to do moral wrong Originally published as a special issue of The Georgia Law Review Spring 1991 this revised and expanded edition will be welcomed by all those frustrated by the impasse of debates so central to our nation s moral life

Politics of Abortion and Birth Control in Historical Perspective Donald T. Critchlow, 2010-11-01 While there is extensive literature on the social history politics and legal aspects of birth control and abortion in the United States the history of family planning as a policy remains to be fully recorded This volume is intended to contribute to this history by examining birth control and abortion within a larger cultural policy and comparative framework The essays contained in this volume represent a variety of perspectives and scholarly interests In many instances the authors differ with each other as well as with the editor on fundamental points of historical interpretation They all however share a commitment to study the politics of population within a scholarly framework that emphasizes the importance of policy history for understanding past and contemporary problems

Jeremiah, Lamentations Michael L. Brown, PhD, Paul W. Ferris, 2017-03-07 Continuing a Gold Medallion Award winning legacy the completely revised Expositor s Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor s Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition thoughtful discussion and ease of use look no further than The Expositor s Bible Commentary

Pro-Life Pulpit Stephen Tu, 2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart

of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners

Rachel Weeping Arthur Eedle, 2015-08-11 Arthur Eedle has used the dialogue between these two men as the vehicle to focus attention on the evils of Abortion and asks whether it is now time for a radical change before the days of God's Judgments arrive on a nation saturated in self interests and expediency where women use abortion for their own convenience without a thought for what they are doing to the life form growing within their bodies

On Moral Medicine Stephen E. Lammers, Allen Verhey, 1998-05-11 Collecting a wide range of contemporary and classical essays dealing with medical ethics this huge volume is the finest resource available for engaging the pressing problems posed by medical advances

ON THE OTHER SIDE Christy Tayman, 2024-11-07 This is a powerful and true story about the anguish some women experience after choosing to have an abortion On the other side of despair grief and hopelessness Christy found healing and real love the love of Jesus She openly shares her incredible story knowing that there is hope healing joy and a better life on the other side

Defending Life Francis J. Beckwith, 2007-08-13 Defending Life is arguably the most comprehensive defense of the pro life position on abortion morally legally and politically that has ever been published in an academic monograph It offers a detailed and critical analysis of Roe v Wade and Planned Parenthood v Casey as well as arguments by those who defend a Rawlsian case for abortion choice such as J J Thomson The author defends the substance view of persons as the view with the most explanatory power The substance view entails that the unborn is a subject of moral rights from conception While defending this view the author responds to the arguments of thinkers such as Boonin Dworkin Stretton Ford and Brody He also critiques Thomson's famous violinist argument and its revisions by Boonin and McDonagh Defending Life includes chapters critiquing arguments found in popular politics and the controversy over cloning and stem cell research

The Final Revolution George Weigel, 2003-09-18 The collapse of communism in central and eastern Europe the Revolution of 1989 was a singularly stunning event in a century already known for the unexpected How did people divided for two generations by an Iron Curtain come so suddenly to dance together atop the Berlin Wall Why did people who had once seemed resigned to their fate suddenly take their future into their own hands Some analysts have explained the Revolution in economic terms arguing that the Warsaw Pact countries could no longer compete with the West But as George Weigel argues in this thought provoking volume people don't put their lives and their children's futures in harm's way simply for better cars refrigerators and TVs Something else something more had to happen behind the iron curtain before the Wall came tumbling down In The Final Revolution Weigel argues that that something was a revolution of conscience The human turn to the good to the truly human and ultimately to God was the key to the political Revolution of 1989 Weigel provides an in depth exploration of how the Catholic Church shaped the moral revolution inside the political revolution Drawing on extensive interviews with key leaders of the human rights and resistance movements he opens a unique window into the soul of the Revolution and into the hearts and minds of those who shaped this stirring vindication of

the human spirit Weigel also examines the central role played by Pope John Paul II in confronting what V clav Havel called communism s culture of the lie and he suggests what the future role of the Church might be in consolidating democracy in the countries of the old Warsaw Pact The final revolution is not the end of history Weigel concludes It is the human quest for a freedom that truly satisfies the deepest yearnings of the human heart The Final Revolution illustrates how that quest changed the face of the twentieth century and redefined world politics in the year of miracles 1989 **On Moral Medicine** M. Therese Lysaught, Joseph Kotva, Stephen E. Lammers, 2012-07-20 In print for more than two decades On Moral Medicine remains the definitive anthology for Christian theological reflection on medical ethics This third edition updates and expands the earlier awardwinning volumes providing classrooms and individuals alike with one of the finest available resources for ethics engaged modern medicine **Readings in Christian Ethics** David K. Clark, Robert V. Rakestraw, 1994 Ethical interpretations meet real life Case studies and readings explore divergent views on morals in action

Rachel Weeping The Case Against Abortion Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rachel Weeping The Case Against Abortion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rachel Weeping The Case Against Abortion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rachel Weeping The Case Against Abortion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rachel Weeping The Case Against Abortion Books

What is a Rachel Weeping The Case Against Abortion PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rachel Weeping The Case Against Abortion PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rachel Weeping The Case Against Abortion PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rachel Weeping The Case Against Abortion PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rachel Weeping The Case Against Abortion PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for

working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
