Racial Healing Signed:

The Future of Civic Education Elizabeth Yeager Washington, Keith C. Barton, 2024-10-01 Speaking to the need to move beyond traditional formulations this textbook presents radical visions for transforming civic education in the United States Drawing on the experience of educators and scholars including those rooted in feminist queer abolitionist global and race conscious perspectives this work offers new practical ideas for civic education reform Responding to recent political crises many scholars educators and public commentators have called for a rebirth of civic education but these all are grounded in the premise that the goal of civic education should be to teach students about the U S Constitutional system and how to operate within it This book argues that the U S governmental system including the Constitution is infused with racist and anti democratic premises and procedures It asks How can we seek a new path one that is more democratic more equitable and more humane A diverse range of leading civic educators who are willing not just to push the boundaries of civic education but to operate outside its assumptions altogether explore what future possibilities for civic education might look like and how these innovative ideas could be implemented in the classroom Combining theory with practice *The Future of Civic Education* will be important reading for those studying or researching in social studies methods social studies issues citizenship and civic education It will also be beneficial to social studies teachers at elementary and secondary levels as well as policymakers and non governmental organizations NGOs

From Small Wins to Sweeping Change Priya Frank, Theresa Sotto, 2022-07-15 How does a diverse community thrive in spaces that were designed to be exclusionary Museums with histories tied to colonial violence and racist practices and whose survival is largely reliant on the generosity of wealthy donors were not built to be inclusive Yet many museums missions and the people who bring these missions to life have egalitarian aims In recent years museum practitioners across the country have been proactively confronting our histories of colonization and exclusion and advancing equity and inclusion Museums of all types have formed cross departmental teams to critique their internal practices review hiring processes and ultimately foster a more diverse and inclusive environment for both visitors and staff alike But how do such initiatives get off the ground How do individuals build support among all stakeholders and successfully advocate for new positions programs and cross departmental working groups How can colleagues work together across departments to foster more inclusive museum practices This book from the American Alliance of Museums brings together a collection of tools solutions and models from DEAI practitioners who have actively worked together towards institutional change With 60% BIPOC authorship this book will provide hope and inspiration as well as concrete strategies for museum workers all over the country who are achieving small wins and fostering sweeping change in the predominantly white cultural sector through innovation collaboration and courage This is the first book to focus specifically on collaborative and inclusive practices in equity and anti racism work in different types of museums Its case studies demonstrate the importance of relationship building authentic connections and developing foundations together over time providing a much needed

resource for museum professionals at every level who are grappling with inequities that are pervasive in museums

Redefining Spiritual Spaces in the Age of Technology Stacey K. Guenther,Xiaoan Li,Michelle A. Scheidt,2025-08-30 Emerging technologies are entering every aspect of human life including the spiritual realm At the same time spirituality has entered mainstream environments including business education health and healing and tech design This provides an opportunity for technology and wisdom traditions to evolve together due to the widening audiences and worldviews In this open access volume an assembly of experts explores the intersection of spirituality and technology as they are emerging in a variety of contexts in our world Through a mixture of philosophy advocacy presentation of research findings and sharing of practices this book illustrates technology s influence on spirituality and vice versa and its applications to management strategy and leadership At the same time contributing authors identify the surfacing pitfalls shadow material and areas that must be attended to during this time of evolving landscapes Additionally two of the chapters highlight virtual practices that focus on racial healing which are of crucial import at this time in our collective history and another two explore healing justice and liberation through the uses of technology Written in a think piece style this book is accessible to those within and outside of academia This is an open access book Southern Shepherds, Savage Wolves Otis Westbrook Pickett Sr.,2025-10-23 Presbyterian Church missionaries and the theology of race enslavement and Native American removal In Southern Shepherds Savage Wolves Otis Westbrook Pickett Sr examines Presbyterian missionaries attempts to live up to their understood calling from their God to serve as shepherds for their congregations These missionaries Pickett finds faltered in this duty when faced with the racial hierarchy of an enslaved society He focuses on individual missionaries most prominently John Lafayette Girardeau and T C Stuart who attempted to integrate enslaved and later freed men and women into the church By examining these missionaries and mission churches Pickett sheds new light not only on the complicated role that religion played in shaping slavery and Native American removal in the US South but also the fate of these ideas in the crucible of the Civil War and its aftermath Antiblackness and the Stories of Authentic Allies Norman Kim,Carolyn Coker Ross,Mazella Fuller,Charlynn Small,2024-09-18 This book examines the myriad of systemic challenges that are baked into the fabric of US society perpetuating and permeating antiblackness across some of its most trusted institutions Taken together the chapters in this book are a guide for scholars interested in social justice promotion within and on behalf of black communities complete with concrete tools and strategies for constructing authentic helping relationships Becoming a Student-Ready College Tia Brown McNair,Susan Albertine,Nicole McDonald,Thomas Major, Jr.,Michelle Asha Cooper,2022-07-26 Reimagining the Culture of Leadership for Student Success A revision to the practical and popular guide this book asks the crucial question within today s environment What s a student ready college Higher education leaders are responsible for preparing their institutions to serve the students they admit in the best way possible By asking ourselves how we can transform our institutions into student ready colleges to create a new culture of leadership that is responsive to

current challenges and focuses on understanding and utilizing student assets and social capital to achieve shared goals for student success *Becoming a Student Ready College* shows you how Conversations in higher education tend to focus on defining college readiness for students Too often we forget to ask the question from the other side and we miss important opportunities to develop institutions in ways that can help students thrive Higher education leaders and educators can better serve today's college students through responsive and redesigned practices and policies This updated edition features revisions and new material that speak to the social realities of today's incoming students and cover the latest strategies and techniques for connecting with learners to foster equity and success Leverage existing resources to the benefit of students and deliver the right support at the right time to achieve equity in student outcomes and build on students assets Design ecosystemic partnerships and support programs that nurture the relationship between the student and the institution Strengthen institutional capacity building for achieving defined student ready goals Build shared governance to promote agency and to foster change and collaboration *Becoming a Student Ready College* explores leaders shared responsibilities in advancing student success and provides practical recommendations for educators at all levels **Post Traumatic Macho**

Disorder: The Way Home Roberto Schiraldi, 2024-11-27 Post Traumatic Disorder Since the beginning of time the oppressive dis ease of Macho ism continues to have a devastating impact on ourselves and our world The macho plague has reeked havoc on our lives and been the primary cause of wars racism sexism desecration of the animals and the land to name a few and the horrific example of bullying it demonstrates for our young ones This is a very personal book of short essays poems stories and other pieces that gets to the heart of the macho and offers a healing path for the future
