[The History of AMC Motorsports](#) Bob McClurg,2016-01-15 When thinking of a manufacturer s racing involvement AMC is not a manufacturer that immediately comes to mind Yet even from the very beginning of American motorsports the companies that became AMC had some serious involvement in motorsport From the early Nash and Hudson models all the way through the muscle car era AMC had direct involvement in racing The success of Nash and Hudson in early NASCAR racing AMC Javelins in Trans Am racing and AMC s involvement with Mark Donahue and Roger Penske in both their Trans Am and 1970s NASCAR teams prove that AMC was in it to win it The History of AMC Motorsports from veteran racing journalist Bob McClurg covers it all from a Nash American Motors corporate history the first years of NASCAR the 1960s efforts that included Trans Am and drag racing Super Stock programs to the Craig Breedlove land speed record efforts when 106 world records were shattered and covered by Hot Rod magazine And let s not forget the 1970s Trans Am championships with Donahue and Penske and finally the NASCAR success with Bobby Allison in the always curious looking Matador which is also covered here Never before has a single volume chronicled the events that encompass AMC racing history Whether a hardcore racing history fan or a casual enthusiast of the AMC street offerings The History of AMC Motorsports provides a unique showcase vital to every enthusiast s library

British Sporting Periodicals M. L. Biscotti,2019-09-04 Since the 1700s British periodicals devoted to field sports have been reporting developments in techniques trends legislation conservation and more They therefore provide a detailed examination of the country s rich and broad history of hunting fishing foxhunting and related shooting sports British Sporting Periodicals An Annotated Bibliography is the first comprehensive listing of all the periodicals on field sports produced in Great Britain up to 1950 Each title is described in detail including publisher place of publication general content format frequency of issue and publishing history The book also
