## **Racism And Political Action In Britain:**

*Racism and Political Action in Britain* R. Miles, Annie Phizacklea, Social Science Research Council (Great Britain). Research Unit on Ethnic Relations, 1979      *Race, Government and Politics in Britain* Zig Layton-Henry, Paul B. Rich, 2016-07-27      *Race and Politics in Britain* Shamit Saggar, 1992 This work covers the issues of race and politics in contemporary British society providing an analysis of the historical background to race and politics a profile of Britain's ethnic minorities coverage of the problems of a multi racial society an examination of race and party politics and urban political change and a treatment of minority politics and race and policy making      Political Languages of Race and the Politics of Exclusion Andy R. Brown, 2018-08-16 First published in 1999 Political Languages of Race and the Politics of Exclusion examines the post race signification logic of languages used to promote and achieve the exclusion and stigmatisation of migrant groups within post war Britain Re examining the time of Smethwick and Powellism as well as extensive Parliamentary debates this book develops an original thesis to show how Backbench racism became legitimated as Frontbench commonsense The book argues that the achievement of the success of post war Parliamentary racism has been made possible by the development of a ubiquitously anecdotal narrative of the travails of the Forgotten Englishman awoken to a multi cultural nightmare in Britain's decaying inner cities While the concept of race has remained under erasure the logic of post race signification discourse has allowed the re making of racism in public Britain      **Right-Wing Populism in Europe** Ruth Wodak, Brigitte Mral, Majid KhosraviNik, 2013-05-23 This volume offers a comparative survey of Far Right parties across Europe examining in particular their changing political rhetoric The contributors look at the development of two distinct forms of party development and discourse The Haiderization and The Berlusconi model      *The Unfinished Politics of Race* Les Back, Michael Keith, Kalbir Shukra, John Solomos, 2022-12-01 The Unfinished Politics of Race argues that the past few decades have seen important transformations in the politics of race Contending that existing accounts have focused narrowly on the mainstream political sphere this study argues that there is a need to explore the role of race more widely By exploring the mainstream as well as transitional and alternative spheres of political mobilisation the authors stress the need to link the analysis of both local and national processes in order to make sense of the changing contours of racialised politics The underlying concern of this study is to outline both a theoretical frame for an analysis of racial politics and detailed empirical accounts of different arenas of political mobilisation By exploring the unfinished politics of race this study provides a timely reminder that the position of racial and ethnic minorities in political institutions remains deeply contested      *Race, Politics and Social Change* Les Back, John Solomos, 2002-01-31 Drawing on a wealth of original sources this book explores the changing contours of the politics of race in the present social and political environment This will appeal to students of British politics and society      Radicalism, Anti-Racism and Representation Alastair Bonnett, 2023-02-14 First published in 1993 Radicalism Anti Racism and Representation is a study set within a wider political context for the

discussion of racial representation and anti racism The second half of the book is devoted to interview based exploration of the ambiguities and political characteristics of race equality consciousness amongst public educators It is shown that there is no one anti racism Different ideals and assumptions have been arrived at within different historical and geographical contexts It is suggested that this intellectual plurality provides a resource for those wishing to rethink anti racism in the light of its contemporary malaise The study also explores and explains the development of self critical reflexive anti racist and radical consciousness amongst educators The book provides the first sociological study of anti racism Indeed it is the first to provide a substantive critique of anti racism from outside the New Right It is also the first to look at this phenomenon geographically and to compare anti racism in multiracial and white areas This book will be of interest to students of human geography sociology history ethnic studies and race studies

Race, Discourse and Labourism Caroline Knowles, 2005-07-25 Race Discourse and Labourism argues that the commonwealth of socialism is founded upon a well concealed history of brutality and repression Caroline Knowles details the historical conditions of the emergence of race through Labour's dealings with Indian independence negotiations and anti semitism in the thirties and the effects of this on the conceptions of black citizenship multi racialism and black representation in labour politics

**German Migrants in Post-War Britain** Dr Inge Weber-Newth, Johannes-Dieter Steinert, 2006-03-29 Both timely and topical with 2005 marking the 60th anniversary of the end of the Second World War this unique book examines the little known and under researched area of German migration to Britain in the immediate post war era Authors Weber Newth and Steinert analyze the political framework of post war immigration and immigrant policy and the complex decision making processes that led to large scale labour migration from the continent They consider identity perception of self and others stereotypes and prejudice how migrants dealt with language and intercultural issues migrants attitudes towards national socialist and contemporary Germany migrants motivation for leaving Germany migrants initial experiences and their reception in Britain after the war as recalled after 50 years in the host country compared to their original expectations Based on rich British and German governmental and non governmental archive sources contemporary newspaper articles and nearly eighty biographically oriented interviews with German migrants this outstanding volume a must read for students and scholars in the fields of social history sociology and

migration studies expertly encompasses political as well as social historical questions and engages with the social economic and cultural situation of German immigrants to Britain from a life historical perspective      **Racism** Albert J. Wheeler,2000 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature providing access by subject groupings as well as author and subject indexes Contents Racial Attitudes Racism and Poverty Hate Groups Racial Justice Racism and Politics Race Discrimination Racial Identity Racism Around the World      **British Sources of Information P.** Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual      **Oriental Identities in Super-Diverse Britain** T. Barber,2015-02-26 Tamsin Barber addresses the experience of the British born Vietnamese as an overlooked minority population in super diverse London exploring the emergence of the pan ethnic Oriental category as a new form of collective consciousness and identity in Britain      **Refugees in Twentieth-Century Britain** Becky Taylor,2021-05-13 This timely history explores the entry reception and resettlement of refugees across twentieth century Britain Focusing on four cohorts of refugees Jewish and other refugees from Nazism Hungarians in 1956 Ugandan Asians expelled by Idi Amin and Vietnamese boat people who arrived in the wake of the fall of Saigon Becky Taylor deftly integrates refugee history with key themes in the history of modern Britain She thus demonstrates how refugees' experiences rather than being marginal were emblematic of some of the principal developments in British society Arguing that Britain's reception of refugees was rarely motivated by humanitarianism this book reveals the role of Britain's international preoccupations anxieties and sense of identity and how refugees' reception was shaped by voluntary efforts and the changing nature of the welfare state Based on rich archival sources this study offers a compelling new perspective on changing ideas of Britishness and the place of outsiders in modern Britain      **Citizenship and Immigration in Postwar Britain** Randall Hansen,2000-06-01 In this contentious and ground breaking study the author draws on extensive archival research to provide a new account of the transformation of the United Kingdom into a multicultural society through an analysis of the evolution of immigration and citizenship policy since 1945 Against the prevailing academic orthodoxy he argues that British immigration policy was not racist but both rational and liberal In this ground breaking book the author draws extensively on archival material and theoretical advances in the social science literature Citizenship and Immigration in Post war Britain examines the transformation since 1945 of the UK from a

homogeneous into a multicultural society Rejecting a dominant strain of sociological and historical inquiry emphasizing state racism Hansen argues that politicians and civil servants were overall liberal relative to the public to which they owed their office and that they pursued policies that were rational for any liberal democratic politician He explains the trajectory of British migration and nationality policy its exceptional liberality in the 1950s its restrictiveness after then and its tortured and seemingly racist definition of citizenship The combined effect of a 1948 imperial definition of citizenship adopted independently of immigration and a primary commitment to migration from the Old Dominions locked British politicians into a series of policy choices resulting in a migration and nationality regime that was not racist in intention but was racist in effect In the context of a liberal elite and an illiberal public Britain's current restrictive migration policies result not from the failing of its policy makers but from those of its institutions *Encyclopedia of Race and Ethnic Studies* Ellis

Cashmore,2004-03 The book comprises essays each highlighting a particular word or term germane to the study of race and ethnic studies *Faith in Church Newspapers* David Isiorho,2024-12-12 This book offers a practical theology that looks at the way people of global majority heritage are portrayed in the religious press of the Church of England and have been racialized as other than White The frame analysis shows that only a minority of news items in The Church Times and The Church of England Newspaper were concerned with race related issues or contained identifiable Black actors Faith in Church Newspapers looks at how these news items can exclude and marginalize people of global majority heritage by restricting their coverage to specific and limited contexts This book is concerned both with the findings from the analysis of these papers and with the wider implications for Christian mission in the Church of England The case studies are idiographic and qualitative and take us behind the data of news gathering Faith in Church Newspapers is accessible scholarship intended for both an academic and a lay audience This is an original book and one of crucial importance not just to Black theology but also to urban and contextual theology It will aid theological students undertaking pastoral education and also students of journalism history and social change Race and Social Analysis Caroline Knowles,2003 Caroline Knowles combines biographical and spatial analysis to provide an up to date account of the ways race and ethnicity operate in a global context She argues that race and ethnicity is intricately woven into the social landscapes in which we live
