Shaftel, Caitlin Thompson, 2020-08-11 The best writing on tennis from the best tennis writers in the business Racquet was founded in 2016 to be the voice of a new tennis boom When the popularity of tennis peaked in the late 70s and early 80s the sport was populated by buccaneering talents with outsize personas such as Borg Evert McEnroe Navratilova Gerulaitis Austin King and Connors The game was played in every park and tennis clothes became appropriate attire for cocktails as well as for a match With success however came polish and tennis if not the game itself then how it came to be represented in the culture got boring Having a big personality was no longer a virtue Tennis went back to being a bastion of the elite Racquet is a place for those who knew all along that the spirit of the tennis boom was alive Tennis has always been present in

the arts in the popular culture in the skateboarding hip hop and fashion worlds That side of tennis was and is obscured by the tightly controlled messaging of the athletes the corporate glean of the major tournaments and the all white attire of the country club scene Racquet was launched to represent the latent diverse and large constituency of tennis that has not been embraced by the sport writ large Featuring the work of some of today s finest writers the quarterly independent magazine highlights the art culture and style that are adjacent to the sport and just enough of the pro game to keep the diehards satisfied This collection features some of the best writing from the first four years of Racquet and tackles such immediate topics as How should tennis smell What s the deal with Andre Agassi s private jet What can a professional tennis player learn from Philip Roth Why is tennis important in Lolita How was Arthur Ashe like Muhammad Ali And crucially what lessons have we learned from the implosion of that first tennis boom      New York Magazine ,1984-12-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      Reach for the Racquet Meva Sigh Dhesi,2023-01-01 Reach for the Racquet is the story of a young Sikh man Meva Dhesi who overcomes adversity following a horrific car accident and ultimately achieves his dreams of becoming a competitive badminton and Para badminton player With the help of his amputee and badminton friends Sikh religion close family and surrounding community Meva found he could recover rehabilitate get fit compete and most important of all succeed His story is brought to life in witty humorous prose It will inspire anyone who is facing challenges and struggles to overcome and reach their goals The sky s the limit      **The Washingtonian** ,1986
