Rest Stops For The Soul:

Rest Stops for the Soul Joseph Nassal, Joe Nassal, 1998 On the challenging road of transformation and the larger journey of life we inevitably hit bumps that bruise our souls Along the highway called holiness we encounter roadblocks and detours that fuel our frustration When we are weary of the road it s time to rest awhile This book invites us to turn off on a rest stop that refreshes our souls where we can listen to those sacred stories of both pain and promise from our past present and future that shape our lives and show us our destiny Rest Stops for the Soul is filled with the language of the soul It recounts formative stories of creation incarnation and redemption from our faith tradition mythic and folk stories true life stories and original tales by the author that illuminate the trail of transformation In addition Joe Nassal in his uniquely poetic style crafted in the storyteller s sanctuary offers abundant insight into this journey that God calls and impels us to undertake Father Nassal guides us along the trail of transformation in which God surprises us saves us and sustains us He suggests how we carry on when we re walking on empty how ritual and a carousel humor in the midst of the three ring circus we call life can help carry us home at last

Soul Rest Curtis Zackery, 2018-06-06 In the midst of a cacophony of noise finding true soul rest is nearly impossible With so many responsibilities and distractions vying for our attention too many of us have built unhealthy cycles of rest As a result we burn ourselves out striving and straining against God s intent for our lives We can only sustain a life of purpose if we learn to truly rest In Soul Rest Curtis CZ Zackery reveals how our misaligned view of rest has its roots in an identity that is out of rhythm with God Taking steps toward understanding Sabbath in the way that God intends can dynamically affect every aspect of our lives This thoughtful reflection on rest calls us to the hard work of self examination helping us move towards a purposeful and sustainable life with Jesus

My Soul Is Rested Howell Raines, 1983-09-29 A superb oral history The Washington Post Book World So touching so exhilarating no book for a long time has left me so moved or so happy The New York Times Book Review The almost unfathomable courage and the undying faith that propelled the Civil Rights Movement are brilliantly captured in these moving personal recollections Here are the voices of leaders and followers of ordinary people who became extraordinary in the face of turmoil and violence From the Montgomery Bus Boycott in 1956 to the death of Martin Luther King Jr in 1968 these are the people who fought the epic battle Rosa Parks Andrew Young Ralph Abernathy Hosea Williams Fannie Lou Hamer and others both black and white who participated in sit ins Freedom Rides voter drives and campaigns for school and university integration Here too are voices from the Down Home Resistance that supported George Wallace Bull Connor and the traditions of the Old South voices that conjure up the frightening terrain on which the battle was fought My Soul Is Rested is a powerful document of social and political history as well as a magnificent tribute to those who made history happen

Emily's Art and Soul Joy Argento, 2019-01-15 High school teacher Emily Sanders s bucket list didn t include getting divorced and starting a new job in a new city Those challenges pale however when her mother dies and Emily finds herself caring for her sister who has Down syndrome When

Emily meets Andi Marino she thinks she s found a new best friend just the right kind of fun and caring person to keep her from spending every weekend alone So when Emily discovers she s a lesbian and wants to explore her feelings for women Andi seems like the perfect social guide Except Emily doesn t know that Andi has been attracted to her from the start and is fast falling in love with her Caught up in exploring her sexuality will Emily see the only woman she needs is right in front of her

My Soul Unzipped Carol Wawrychuk,2019-06-03 In June of 2016 Carol s safe predictable life was uprooted The red Toyota BOXRRAV loaded with a couple of suitcases a few plants some bonsai tools and her white boxer Spud headed east toward the Land of Enchantment In 2006 she began documenting the journey of finding her Nana and the subsequent cleanup of the cemetery at the State Mental Hospital in Las Vegas New Mexico Maybe this crazy God adventure was initiated then If it was she certainly didn t feel it In fact it only served to remind her of the sadness that she had kept hidden in the recesses of her mind She loved the vast expanses of open landscape the blue skies with white clouds unlike anywhere else she had ever been Cactus pinion trees rugged mountain ranges and glorious sunrises and sunsets had been blotted out by memories of family struggles and loss But as Nana slowly made her way back home so did Carol She was being called not out of the desert but back to the desert In probably the most unlikely twist since deliberately choosing God as her partner he was making straight the path to return home shepherding her soul back to New Mexico This is a tale of second chances of following one s heart It is a story of paradox and contradiction of mountain peaks and valley floors of sadness and rejoicing But most of all it is the story of a soul set free

From Soul to Hip Hop Tom Perchard,2017-07-05 The essays contained in this volume address some of the most visible durable and influential of African American musical styles as they developed from the mid 1960s into the 21st century Soul funk pop R B and hip hop practices are explored both singly and in their many convergences and in writings that have often become regarded as landmarks in black musical scholarship These works employ a wide range of methodologies and taken together they show the themes and concerns of academic black musical study developing over three decades While much of the writing here is focused on music

and musicians in the United States the book also documents important and emergent trends in the study of these styles as they have spread across the world The volume maintains the original publication format and pagination of each essay making for easy and accurate cross reference and citation Tom Perchard's introduction gives a detailed overview of the book's contents and of the field as a whole situating the present essays in a longer and wider tradition of African American music studies In bringing together and contextualising works that are always valuable but sometimes difficult to access the volume forms an excellent introductory resource for university music students and researchers **Body & Soul, Healed & Whole**
