Rugrats First Kwanzaa:

The Rugrats' First Kwanzaa, 2001 When Susie states that she doesn't think she is special enough to join in her family's Kwanzaa celebration Great Aunt T and her Rugrat friends prove her wrong and convince her to take part in the family's holiday celebration *Rugrats' First Kwanzaa* Stephanie Greene, 2001-01 When Susie states that she doesn't think she is special enough to join in her family's Kwanzaa celebration Aunt T and her Rugrat friends prove her wrong and convince her to take part in the family's holiday celebration *Kwanzaa* Keith A. Mayes, 2009 Since 1966 Kwanzaa has been celebrated as a black holiday tradition e an annual recognition of cultural pride in the African American community But how did this holiday originate and what is its broader cultural significance *Kwanzaa Black Power and the Making of the African American Holiday Tradition* explores the political beginning and later expansion of Kwanzaa from its start as a Black Power holiday to its current place as one of the most mainstream of the black holiday traditions For those wanting to learn more about this alternative observance practiced by countless African Americans and how Kwanzaa fits into the larger black holiday tradition Keith A Mayes gives an accessible and definitive account of the movements and individuals that pushed to make this annual celebration a reality and shows how African Americans brought the black freedom struggle to the American calendar Clear and thoughtful Kwanzaa is the perfect introduction to what is now the quintessential African American holiday **Celebrate with Books** Rosanne Blass, 2005-09-30 Catch the wave of enthusiasm that accompanies holiday celebrations and use it to promote reading and literature throughout the year Focusing on books for elementary readers published within the past five years Blass introduces you to 200 of the best new fiction and nonfiction titles about world holidays from New Year's Day Ramadan and Mardi Gras to Juneteenth Pioneer Day and the Bon Festival The guide offers full bibliographic information a plot summary a booktalk bookwalk or read aloud for promoting the book to young readers and ideas for discussion and extension learning activities Chapters are organized chronologically from January to December with additional chapters on Holidays in General and Other Special Occasions covering such events as birthdays and losing a tooth Alternative title suggestions for each holiday are given at the end of the section A source of inspiration for reading assignments book lists and library displays this guide is also a great resource for multicultural units Grades K-6 *Multicultural America* Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U.S. Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U.S. growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non-Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H. Frey with the

Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors *The Publishers Weekly*, 2001 *Why TV Is Not Our Fault* Eileen R. Meehan, 2005-11-03 For more than five decades we ve been told by pundits commentators advertisers scholars and politicians that television is both a window on the world and a mirror reflecting our culture We ve been led to believe that it shows us the world s events through news programs and through entertainment programs reflects the preferences values beliefs and understandings shared by most Americans We re told that if you don t like what you see on TV don t blame the industry blame yourself This book dispels the myth that the television industry is just giving viewers the programming they want to see and thus we as viewers are responsible for the existence of shows like Fear Factor and yet another Survivor In fact Eileen Meehan explains viewers exert no demand in the market for ratings advertising slots program production or telecasting She also counters the idea that TV programs reflect our culture directly Introducing us to the political economy of television Meehan covers programming corporate strategies advertising the misnomer of competition among networks and organizations that seek more industry accountability She tells us why TV isn t our fault, and who s really to blame *Children's Book Review Index* Gary C. Tarbert, 2003 *Bowker's Guide to Characters in Fiction*, 2003 **Happy Holidays--Animated!** William D. Crump, 2019-04-18 Since the early 20th century animated Christmas cartoons have brightened the holiday season around the world first in theaters then on television From devotional portrayals of the Nativity to Santa battling villains and monsters this encyclopedia catalogs more than 1 800 international Christmas themed cartoons and others with year end themes of Hanukkah Kwanzaa and the New Year Explore beloved television specials such as A Charlie Brown Christmas theatrical shorts such as Santa s Workshop holiday episodes from animated television series like American Dad and The Simpsons feature films like The Nutcracker Prince and obscure productions such as The Insects Christmas along with numerous adaptations and parodies of such classics as A Christmas Carol and Twas the Night before Christmas [Forthcoming Books](#) Rose Army, 2002-02 [Children's Books in Print](#) R R Bowker Publishing, Bowker, 1999-12 **Encyclopedia of African American Actresses in Film and Television** Bob McCann, 2022-09-23 The first work of its kind this encyclopedia provides

Christmas on Television Diane Werts, 2006 Christmas just isn't Christmas without Christmas on TV Whether it's the made for television specials of Rudolph the Red Nosed Reindeer and Frosty the Snowman a M A S H Christmas in Korea Kramer playing Santa on Seinfeld or the annual holiday disaster on The Simpsons or South Park television's many representations of this beloved holiday have become as essential a part of our holiday season as lights gifts or mistletoe In this entertaining chronicle of television and the Christmas season former Television Critics Association President Diane Werts weaves discussion of the many programs that have appeared during the holiday season throughout the years with interviews with writers producers and stars Not only are readers given a chance to re live their favorite holiday moments on TV but also to gain illuminating cultural insights into the increasingly strong bond that unites these two American traditions Diane Werts's book is the first to cover the entire history of the depiction of Christmas on television and includes a discussion of programs that celebrate Hanukkah Kwanzaa and the winter solstice An introductory overview helps readers to understand the basis on which television's success with the holidays is based and chronological chapters go on to consider the many different ways in which the season has been celebrated in variety shows sitcoms specials and dramas of the past six decades
