Activating the Power of the Cross Tony Evans, 2012-12-19 You've got to activate the power to experience the power What would happen if our phones and computers ran out of power and couldn't be recharged They would still have everything necessary to provide us with what we use them for but without power they'd be useless There is something more powerful than the technology we use each day And it has an even greater capacity to positively impact and enrich our lives in every way Yet it is an untapped frequently inactivated resource That something is the cross In this book Dr Tony Evans will help you understand how to activate the power of the cross gaining access to all of the benefits blessings and power contained within it and through it so that you can live the empowered and victorious life God intended

The Wisdom of the Cross and the Power of the Spirit in the Corinthian Church Cletus L. Hull III, 2018-10-18 The cross of Christ crucified symbolized the central theme of Paul's ministry In his letter to the Corinthians the apostle commenced his correspondence with the message about the cross and power of God 1 Cor 1:18 NRSV The proposal for this paper utilizes the method *analogia scripturae* Set within the wisdom motif of the Greco-Roman world this study is dedicated to the examination of the apostle's Christology in the context of 1 Cor 1:18-25 and the pneumatology in 1 Cor 2:9-16 as both pericopes are juxtaposed in his epistle Essentially the thesis concerns the grounding of the pneumatology of Paul with his Christology in 1 Corinthians The Corinthian church required clarification and pastoral wisdom with their pneumatic experiences thus Paul recognized that a strong theology of the cross complemented their encounters with the Spirit The question for biblical studies involves a lively tension of the pneumatology of the Spirit with a robust Christology Because the power of God throughout this passage has the cross as its paradigm the structure of the book leads to the significance of the apostle's pneumatological contribution of the cross and Christ crucified 1 Cor 1:18-2:2 For this reason a strong Christology must ground the pneumatology of the Pauline corpus This study in biblical literature commences a new discussion in ecumenical dialogue between pneumatic experiences in the church and christological issues in Scripture

The Power of the Cross Graham Tomlin, 2007-03-01 In a postmodern world the church cannot escape the question of power The contemporary critique of the church suggests that it reigned for so long in Western society not because it was more true than its rivals but because it was more powerful Is the Christian claim to truth merely a veiled bid for power Has not the church regularly abused its power during the years of

Christendom Does Christian theology have the resources to answer these charges This book argues that it does in the quiet but recurrent theme of the theology of the cross It explores the origins and contours of this kind of theology in three of its major exponents St Paul Martin Luther and Blaise Pascal showing how each of them turned to a theology of the cross to combat the abuse of power within the church It concludes by considering how such theology might do the same in the postmodern context Of interest to anyone concerned with the role of the church in a postmodern world or in the theology of the cross itself this book explores vital themes for the church s life and thought both today and in the future The Power of the Cross Tony Evans,2016-01-19 The cross is an historical event that can bring us to heaven And a current event bringing heaven to bear on us In The Power of the Cross Tony Evans applies Christ s work to life today In three parts he systematically and pastorally explains three aspects of the cross Its Person What makes Christ unique and how He is the center of salvation history Its Purpose What was accomplished on it and how it is to be the centerpiece of our lives Its Power The stability and deliverance it provides in our everyday living We wear crosses around our necks but do we apply it to our lives Jesus work holds incredible power for us It s time we embrace it for God s glory and our joy Read The Power of the Cross to find out how

Meeting God on the Cross Arnfríður Guðmundsdóttir, 2010. The cross of Christ has proven to be no less of a stumbling block for Christians living in the end of the twentieth century and the beginning of the twenty-first than it was in the first century when the newly established community of friends and followers of Jesus Christ sought to define the foundation of their faith over against the critiques of their Jewish and Greek contemporaries. This book presents a theological reception of the contemporary feminist challenge to classical christology by means of an explicit feminist retrieval and reconstruction of a theology of the cross. Guðmundsdóttir argues that a feminist theology of the cross serves a dual purpose in feminist christology: it discloses the patriarchal distortion of traditional christology and can also reveal lost dimensions in the understanding of the person and work of Jesus Christ. Although Guðmundsdóttir argues that feminist critique is an indispensable element of contemporary christology, she also claims that there is a redemptive message in the cross of Christ that is retrievable for women today. Despite its potential for abuse and indeed its well-documented history of misuse against women in the past, a theology of the cross proclaims Jesus as

a divine co sufferer who brings good news to the poor and oppressed and as such can be a source of healing and empowerment for suffering women The constructive task of this book is to show that a theology of the cross can indeed become a theology of hope today offering women meaning and strength from a God who takes human form and enters redemptively into their situations of suffering *The Power of the Blood of the Cross* Andrew Murray,2003-01-01 Andrew Murray wrote I am deeply convinced that we Christians can never know too much about the truths which the blood proclaims This combined edition contains 20 discourses on this vital subject They were previously published as two books The Power of the Blood of Jesus and The Blood of The Cross *NLT Life Recovery Bible, Second Edition, Personal Size* Stephen Arterburn,Tyndale,David Stoop,2021-01-12 Find freedom in God s Word Discover freedom and hope in God s Word with Tyndale s Life Recovery Bible the 1 selling recovery Bible with over 3 million copies in print This powerful Bible for addiction emphasizes God as the ultimate source of recovery and offers essential tools and features to break people free from the grip of addiction It is widely embraced in 12 Step recovery programs like Alcoholics Anonymous correctional facilities and by individuals seeking help taking their life back from destructive behaviors and substances In this Second Edition of The Life Recovery Bible you ll find updated articles on addiction recovery along with a step by step life recovery meeting guide for leaders This portable conveniently sized NLT Bible is a must have resource for anyone starting or leading recovery groups in churches or communities Seamlessly compatible with the original version users of both editions can easily communicate and access shared notes and features Special features of this addiction recovery Bible include 12 step devotionals Life Recovery Facilitator s Guide Step by Step Life Recovery Meeting Guide Article Thriving in a Secular Recovery Group Article Life Giving Recovery Groups in the Church Resources page directing readers to helpful books and online resources The 12 Christian Foundations of Life Recovery The 12 Self Evident Truths of Life Recovery Article A Word about Addictions Article An Early History of Life Recovery Lightweight trim measures 5 25 x 7 875 inches so it s easy to carry with you Convenient 7 7 point font for on the go reading Give the gift of healing and transformation with The Life Recovery Bible a meaningful and impactful choice for loved ones on their journey to addiction recovery *The Judicial Power of the Illegal Cross* Nicholas Victor Cassizzi,2022-01-12 The churches in America and Western civilization are in trouble They have been derailed for a long time now They have replaced relationship with the Lord Jesus with organization Like the church at Ephesus we have left our first love We must draw near to God because He promised us that if we did then He would draw near to us Church religion and organization will not take us into the kingdom of God only the Holy Spirit can do that 86 **NLT Premium Value Thinline Bible, Filament Enabled (LeatherLike, Dark Brown Cross)** Tyndale,2021-11 Your Reimagined Bible Experience The NLT Premium Value Thinline Bible Filament Enabled Edition has readable text an attractive layout and an affordable price in a thin easy to carry size And while it has the same low price of basic text Bibles the NLT Thinline Reference offers much more It not only features a bold new design and the accessible trusted and much loved New Living
