Sea And The Supernatural:

The Sea and the Supernatural Edith Mosher,1974 **Night Sea Journey, A Tale of the Supernatural** Cappa Paula (author),1901 **The Silent Sea: Reflections on Maritime Life** Pasquale De Marco,2025-08-10

The Silent Sea Reflections on Maritime Life is a comprehensive exploration of the sea from its physical properties to its cultural significance. Drawing on his own experiences as a sailor and a lifelong student of the sea, Pasquale De Marco provides a unique perspective on this complex and ever-changing environment. The book begins with an introduction to the physical properties of the sea, including its size, depth, and composition. Pasquale De Marco then explores the different ways in which the sea has been used by humans, from transportation and trade to fishing and recreation. He also discusses the sea's role in human history and culture, from its influence on art and literature to its impact on mythology and religion. The book is divided into ten chapters, each of which focuses on a different aspect of the sea. The chapters cover topics such as the sea's role in the water cycle, the formation of waves and currents, the diversity of marine life, and the challenges facing the marine environment. Pasquale De Marco writes with a deep love and respect for the sea. He is a passionate advocate for the protection of the marine environment, and he believes that we must all do our part to ensure that future generations can enjoy the beauty and wonder of the sea. The Silent Sea Reflections on Maritime Life is an essential read for anyone who loves the sea or who is interested in learning more about this amazing and complex environment. It is a beautifully written and informative book that will appeal to a wide range of readers. If you like this book, write a review.
