Machines and Thought P. J. R. Millican,A. Clark,1996-11-28 This is the first of two volumes of essays in commemoration of Alan Turing whose pioneering work in the theory of artificial intelligence and computer science continues to be widely discussed today A distinguished international cast of contributors focus on the three seminal ideas associated with his name the Turing test the Turing machine and the Church Turing thesis This Life Martin Hägglund,2019 Hägglund argues that a faith not in God or eternal life but in the finite temporal life we lead here on earth is one that gives that life far greater depth of meaning In contrast to the traditional religious faith in eternity he proposes a secular faith in the value of living in time His book provides not only a critique of religious ideals but also a positive alternative understanding of the beliefs and values that can motivate us to live lives of meaning in the here and now adapted from jacket *Katie Mitchell* Benjamin Fowler,2020-12-30 Katie Mitchell Beautiful Illogical Acts offers the first comprehensive study of Britain s most internationally recognised influential and controversial theatre director It examines Mitchell s innovations in fourth wall realism opera and Live Cinema across major British and European institutions bringing three decades of practice vividly to life Informed by first hand rehearsal observations and in depth conversations with the director and her collaborators Fowler investigates the intense and immersive qualities of Mitchell s distinctive theatrical realism and challenges mainstream narratives about realism as a defunct or inherently conservative genre He explores Mitchell s theatre and its often polarised reception to question familiar assumptions governing contemporary performance criticism including common binaries that pit realism against radical experimentation auteurs against texts feminists against Naturalism and Britain against Europe By examining a career trajectory that intersects with huge cultural change Fowler places Mitchell at the centre of urgent contemporary debates about cultural transformation and its genuinely inclusive potential This is an essential book for those interested in Katie Mitchell British theatre directing the transformative power of realism and feminism in contemporary theatre practice and challenges to hierarchical distributions of power inside the mainstream Margaret Webster Milly S.
