**What People Believe When They Say That People Believe** Todd Jones, 2010-10-26 In modern life we often hear people say things like Catholics don t believe in using birth control There are many reasons that we want to know what groups of people such as Catholics are thinking and doing But it s hard to understand which social situations are being described by such statements It s also difficult to understand what speakers believe when they make such statements even when the speakers are social scientists In this work cognitive scientist and philosopher Todd Jones looks at the different things that social scientists and ordinary speakers mean when they make statements ascribing beliefs or actions to groups rather than individuals Such statements are often denigrated as mere stereotypes or generalizations Yet they are also used by people to strategize about what actions to take and even for social scientific explanations In this work Jones takes a detailed look at the different things these kinds of statements about groups can mean and the various social structures they correspond to He also looks at how such statements can and can t be used to successfully explain the behavior of individuals or groups While many people broadly dismiss such statements about groups Jones gives a careful discussion of the problems and possibilities such statements have

*Handbook of Reading Research, Volume II* Rebecca Barr, Michael L. Kamil, Peter B. Mosenthal, P David Pearson, 2016-11-18 A comprehensive overview of important contemporary issues in the field of reading research from the mid 1980s to mid 1990s this well received volume offers readers an examination of literacy through a variety of lenses some permitting microscopic views and others panoramic views A veritable who s who of specialists in the field chapter authors cover current methodology as well as cumulative research based knowledge Because it deals with society and literacy the first section provides the broadest

possible view of literacy The second section defines the range of activities culturally determined to be a part of the enterprise known as literacy The third focuses on the processes that individuals engage in when they perform the act of reading The fourth section visits the environment in which the knowledge that comprises literacy is passed on from one generation to the next The last section an epilogue to the whole enterprise of reading research provides apt philosophical reflection
