

A close-up portrait of Colin Firth, looking slightly upwards and to the left with a serious expression. He is wearing a dark blue suit jacket over a light blue shirt and a dark red and blue plaid tie. A blue name tag is pinned to his left lapel with the text "PAW THE P. MUST KNOW". The background is blurred, showing what appears to be the wing of an airplane.

Search For Truth The seeker begins... BRYAN RADZIN,2014-08-18 I don t have so much tricks up my sleeve as much as journalistic fundamentals to take down powerful and influential people that think they re completely above the law and won t ever get caught I want to show them that we re watching and they will be held accountable So if a politician is only in it for the money and say they want illegals to leave is there a possibility they don t want them to leave Is there a chance they really want them here because immigrant labor is cheaper than American Are politicians making money hand over fist because the companies that employ immigrants make truckloads of it themselves and therefore contribute more to campaigns The vigilante types are probably linked to the corrupt politicians who both stand to lose equally if immigrants were made legal The politicians would lose the status quo of cheap labor they can take advantage of and the vigilantes would have to deal with a multi racial society which is all meant to benefit the status quo *Search For Truth: The next step...*

Bryan Radzin,2015-07-08 A synchronistic journey into the heart of politics and what makes us human The smell of unbelievably juicy melt in your mouth pork can bring the strongest man to his knees not to mention the perfectly cured ham the yellow mustard the sliced pickles and the ooey gooey melted swiss cheese on that perfectly toasted bread coming together to bring an ecstasy of taste to the tongue It s a great thing to have the most amazing sandwich on the planet in the birthplace of the people that came up with it only after immigrating to another country Crazy world we live in Succulent Cuban pork and boisterous 55 Chevys backfiring provided smells and sounds so thick you could cut them with a knife The buildings looked like something out of an old movie where time never caught up and the whole city was on hold This is what Jason and Christina experienced when they walked through the streets of Havana for the first time This was the start of a whole new adventure and they both could feel it

expand the nature and content of the university curriculum or even what is taught in the K 12 system Their intent was and is to destabilize transform and supplant what is taught They seek to create a culture that elevates their interests while aggressively repressing anything they see as an obstacle to power including healthy discourse and debate The activists of the Woke Critical Race Theory Movement are not an honest intellectual movement They are intense and aggressive political strategists self styled revolutionaries seeking to use our educational systems with the framed narrative of Diversity Equity and Inclusion DEI that is actually one of Division Enmity and Intimidation Indoctrination all the while claiming their interests are benign and aimed at healing In reality they are fracturing our fundamental social order sowing discord and deliberately suppressing the freedom of speech and thought essential to the well being of our democratic republic Conformity Colleges The Destruction of Intellectual Creativity and Dissent in America s Universities will help you understand what is happening and come to grips with the need to challenge counter and reverse this revolution Nothing of significance can be done to stop what is going on unless the DEI administrative bureaucracy that now controls universities is dismantled or substantially weakened
