Searching For A Piece Of My Soul:

Let My Soul Look Up Patty Ellis, 2019-05-10 Are we weak and heavy laden Cumbered with a load of care Precious Savior still our refuge Take it to the Lord in prayer While playing the piano in churches for decades Patty Ellis had become used to focusing on the music score not the lyrics Little did she know that years later those sacred lines like seeds destined to produce their bounty in an unknown future would restore her soul reawaken her faith and leave her with a new measure of hope joy and peace long missing from her life In her newest book Patty shares the miraculous though completely unexpected discovery she made while revisiting the poignant words of the revered hymns she had performed so many times throughout her life While transporting others on a journey of renewal Patty pairs the lyrics of classic hymns with Bible verses to uplift and inspire believers Within these gems that have been all but erased from Christian worship lies timeless wisdom with the power to resurrect and reaffirm faith hope and truth **Let My Soul Look Up** is a devotional that shares the profound inspiration found in the ageless wisdom of our beloved hymns

In Search of the Soul, Second Edition Joel B. Green, 2010-11-01 Why A Search for the Soul Many Christians assume that it is biblically faithful and theologically noncontroversial to speak of humans having a soul Yet a wide range of biblical scholars are questioning whether we have correctly understood what the Bible means when it speaks of the soul And contemporary neuroscience is laying more and more questions at the doorstep of the church asking whether our human sense of self is intelligible on the basis of soul But for thoughtful Christians following science on this point looks like caving in to reductionism while denying science gives off the door of obscurantism *In Search of the Soul* provides a rare opportunity to listen in as four Christian philosophers set forth their best arguments for their distinct views and then respond to each other While each of these views calls for careful framing and patient exposition they are labeled as follows SUBSTANCE DUALISM Stewart Goetz EMERGENT DUALISM William Hasker NONREDUCTIVE PHYSICALISM Nancey Murphy CONSTITUTION VIEW OF PERSONS Kevin Corcoran The editor introduces the debate by laying out the critical issues at stake and wraps it up by considering the implications for the Christian life particularly hospitality and forgiveness This is a book of timely interest to philosophers theologians psychologists and pastors Whatever conclusions readers may draw they will find here an instructive and engaging discussion of a controversy that will not go away any time soon
