Searching For God Seek And You Shall Find:

Searching for God Amos Martinez, 2000-09 Author Bio He is married and has a son and a daughter He is a veteran who served in Korea He is a graduate from the University of Colorado In his walk with Jesus he has taught Sunday School led a prayer group served as Treasurer of a church He was baptized more than 30 years ago Book Description Have you ever had a conversation about God and other things and said I ought to write a book about that Well I did In fact this book covers several conversations You might say I know all about that Are you curious about what others say about what you believe If so read on This book may cover many of the subjects you discussed Hopefully some new thoughts are brought out After reading this book you may say I could have done that The fact is that you may have done a better job But you didn't write a book Hopefully you will enjoy reading about the many things you would have written about searching for God The people in the conversations were not satisfied with what they had and were reaching for something Hopefully the information I gave helped satisfy that hunger and will help you with your witnessing Conflict En Route to Destiny Michael L. Jones, L. Jones Sr. Michael L. Jones Sr, Michael L. Jones Sr, 2010-06 As stated in the author's previous book *The Making of a Man My Cross to Bear* the author believes that you should take the time to read and study the contents in *Conflict En Route to Destiny* Have you ever thought of life as never quite being what it should be the author has discovered that in life the things that we have experienced can either make or break us The important thing is what you do with the hand that you are dealt in life The most important lesson for us is to trust in God and not get so wrapped up in what someone has or hasn't done for you even if they were your parents It's the author's hope that upon reading this book that victory will be found in our Lord and Savior Jesus Christ Just remember what the author said in his first book *The Making of a Man My Cross to Bear* if there is no cross then there will be no crown By trusting in God we will be able to rise from the ashes as we are rising from the ruins **SIGNS AND WONDERS** GODSWORD GODSWILL ONU, **KNOWING AND FOLLOWING GOD'S WILL** GODSWORD GODSWILL ONU, The Mystery of Prayer Dr. D. I experience Him If God is perfect why is Christianity so controversial Is it possible to live a powerful influential life as a Christian The Standard Christian Epidemic explores in depth the theme of calling the church back to the standard of Jesus Christ instead of that of religion and reliance on self which has hindered the church for so long Graham Jones Reverend International Gospel Outreach There is no doubt that David has heard from God The standard is being raised and this is the call of God to break free from the Standard Christian Epidemic Mark Casto pastor Omega Center International David is pointing the way for the next generation the up and coming generation that so desperately needs to know truth and the hope that we have in Jesus Christ Gail Manizak CEO The Power and Presence Ministry **The Life Worth While** Edward Leigh Pell,1906 *Salvation Manual* Nsikan E. Johnny,2023-05-25 This book is an illuminating guide on critical sensitive and salvation based topics that will intrigue educate inspire and above all promote the doctrine of salvation as the focal point of the entire Bible The book highlights the fact that humanity s greatest need has never been the food that satiates his hunger the building that gives him shelter the status that makes him relevant or anything that caters to his physical needs albeit it consists of topics that discuss humanity s daily needs and how they can be acquired in line with God s word It adequately emphasises that the salvation of souls constitutes the greatest need and should occupy the top echelon of our priorities The scripture says that faith comes by hearing and hearing by the word of God Romans 10 17 But what happens when the word is not correctly taught or correctly taught but not completely broken down and hence not properly understood This book breaks down biblical lessons in a manner that will be easily understood by readers Many have read the Bible and taught from it wrongly because they missed the central theme of the Bible which is the salvation of our souls but the words in this book have been written to help the reader avoid reading the Bible amiss and achieve this precious and priceless gift salvation that will make existence in this world a meaningful one The lessons readers will learn are drawn from the context of the scriptures the express commands of God and from the lives and experiences of several biblical characters Readers are made to examine some biblical characters strengths and flaws successes and failures and extract valuable lessons that will guide them on the journey through life While people can scan through the Bible and get a general understanding of the stories within these chapters this book will draw the readers attention to vital lessons they may not have noticed
