## Season For War:

**The History of Canada Series: War in the St. Lawrence** Roger Sarty, 2012-04-17 From 1942 to 1944 15 German submarines destroyed or severely damaged 27 ships including three Canadian warships a U S Army troop transport and the Newfoundland ferry Caribou More than 250 lives were lost It was the only battle of the twentieth century to take place within Canada s boundaries and the only battle to be fought almost exclusively by Canadian forces under Canadian rather than alliance high command And for more than 40 years the battle was characterized as a Canadian defeat But was it a defeat Drawing on new material from wartime records including ultra top secret Allied decryptions of German naval radio communications Roger Sarty shows that Canada mounted a successful defence with far fewer resources and in the face of much greater challenges than previously known He draws vivid pictures of the intense combat on Canada s shores and the interplay of the St Lawrence battle with war politics in Ottawa Washington and London At the same time he weaves a second story how researchers reassembled the scattered war records in Canada Britain the United States and Germany and brought the long forgotten battle to life for new generations of Canadians and international audiences **Baseball's Shooting**

**Stars** David J. Gordon, 2024-09-12 Every serious baseball fan can attest to the perennial excellence of stars like Babe Ruth and Ken Griffey Jr But how many can recall the exploits of Fred Dunlap George Stone Bobby Shantz or Mark Fidrych Each of these players performed like a superstar for a single season but none of them came close to replicating that success in subsequent years Some achieved early success and flamed out while others overcame early setbacks to achieve brief stardom late in their careers Some were one year wonders and others sustained solid careers after setting an early standard that they would never again reach This book contains the bittersweet stories of 30 such players who tantalized their fans with visions of greatness but ultimately fell short *Economic and Social History of the World War.
