Season Of Doubt:

Room for Doubt Ben Young, 2017-09-01 Many people have questions about faith Ben Young knows what it s like to feel as if you re alone in your doubts In Room for Doubt Ben offers An honest look at hard questions about God the Bible and faith Examples of spiritual giants in Scripture and history who doubted Insight into how to process uncertainty suffering and disappointment with God Clarity on the difference between uncertainty and mystery Encouragement about how doubt and faith go together Ben invites you to let doubt become your ally rather than your enemy Discover how your questions can lead to a deeper richer faith **Season of Doubt** Jon CLEARY, 1990 **Total Surrender** Tebogo Maimane, 2012-09-11 Total

Surrender is aimed fi rst at motivating people to be authentic in their relationship with God and second to cheer them up so that they dont allow circumstances to dissuade them from this relationship At the end of reading this book the reader will be empowered to grow spiritually challenged on matters of spirituality committed not to give up on their God ordained purpose due to external pressure encouraged not to compromise on their faith enthusiastic about putting God as a priority Silence and Other Surprising Invitations of Advent Enuma Okoro, 2012-09-01 Usually when we think of the Advent story Mary Joseph and the angel Gabriel come to mind Okoro approaches Advent a little differently inviting us to sit for a while with Zechariah and Elizabeth and the story of how they came to bear their only son John The Advent story we so often associate with the joy of Christmas actually begins with deep sorrow and longing But thankfully in the kingdom of God there is always more to the story than meets the eye Enuma Okoro writes Zechariah and Elizabeth were good people They had maintained faith and hope in God for many years despite Elizabeth s inability to conceive a condition considered shameful in their time So they were quite familiar with the universal human experiences of longing and waiting Even though this couple s story takes up only one chapter in Luke s Gospel it contains enough lessons about faith and life to last for weeks In her beautifully written imaginative meditations for each day of Advent Okoro looks closely at the doubts and longings of Zechariah and Elizabeth As you explore their story Okoro guides you to reflect on your own experiences of waiting and longing of grief and the need for community and of hungering for God These poetic and poignant meditations will linger with you long after Christmas Reflection questions and a prayer challenge accompany each week s meditations A perfect book for individual or group study

Walking with a Limp Ezra Byer, 2020-12-20 I ve always loved the book of Genesis where faith in the eternal unchanging God of Abraham proves paradoxically to be more human than heroic This is surely why I appreciate Ezra Byer s exploration of the life of Jacob whose story provides a window for examining his own seasons of doubt and depression Mercifully Ezra strips us of the illusion that faith will always be the swift steady sure climb He reminds that we might cling to God and still feel his absence This is a book for the trenches a book for building gritty honest ultimately resilient faith Jen Pollock Michel Author of Surprised by Paradox and Keeping Place *Walking with a Limp* will point you to the sure sources of hope for the hopeless The God of all hope and His word of hope In it you ll find practical help and encouragement to stay the course You

like Jacob can be a prince with God an overcomer whose limp testifies to tenacious clinging to God Dr Philip Brown Author of A Reader s Hebrew Bible In recent years believers in Christ have become more transparent about the struggles we face with depression and mental illness In this timely book Ezra Byer contributes to this encouraging trend by inviting readers to re read the ancient narrative of the Patriarch Jacob and encounter anew the God who heals and also sets apart his people for worship and service Dr Edward Smither Author of Mission in the Early Church and Christian Martyrdom When we suffer we don t need glib answers or easy truths We need to hear from someone who knows what it s like can remind us of biblical truth and point us to hope That s why I m grateful that Ezra has written this honest profound and encouraging book I can t wait to read it again and to share it with others Darryl Dash Author of How to Grow

The Canner ,1929 **Humorous Stories for Life's Seasons** Irene Bryan,2021-08-04 Life is a journey which the soul embarks on It is like an unfinished book waiting to add new chapters from stories not yet written One never knows what the journey will carry one through or even the seasons the journey will bring forth Only God knows Yesterday one could have been in a Desert season Today one could be in a Valley season looking up at the Mountains The same God who was with one in their Desert season is the same God with one today in their Valley season with the view of the Mountains that surround one The comfort and peace to the believer s soul is knowing that God can be trusted in every season As you read and reflect on these little humorous stories of life s seasons I pray and hope that you will enjoy one or two little chuckles I also pray that you may be able to relate and identify with the characters Mountain Valley Foothill Hillside Flatland Rangeland Desert and Lowland as each goes through the difficulties disappointments and ups and downs Most often these are part of what some of life s seasons cause the heart and soul to feel and experience Enjoy the laughter love and lessons from Humorous Stories for Life s Seasons Remember that laughter is good for the soul

Outgrowing Cultic Christianity Robert P. Vande Kappelle,2021-04-27 We live in a time of religious warfare not just between different religions but also between those with differing versions of the same faith This religious distrust and political conflict may be the worst in American history since the Civil War Speaking as a progressive conservative biblical scholar Robert Vande Kappelle uses a four stage model of faith development to rethink core Christian doctrines Starting with current events and a discussion on the role of religion this book examines how inadequate faith

development makes people of faith susceptible to misinformation conspiracy thinking and even to cultic mindsets People of faith do not choose to believe a lie they all want to believe what is true Hence it is surprising that in the realm of religion so many people are willing to rely upon untested and even highly disputed beliefs beliefs most received as children Unfortunately many of these teachings are based upon ancient hopes and fears rather than upon factual historical information Taken literally dualistic teachings concerning heaven and hell sin and salvation good and evil and apocalyptic beliefs such as the end times and the imminent return of Christ to earth are questionable not only because they are beyond historical and scientific verification but also because they can be misused by authoritarian leaders to control and mislead devout individuals Thankfully there is a way to outgrow cultic Christianity The path to spiritual maturity comes by restoring the role of religion a form of spirituality discovered not by addition but by a process of subtraction Outgrowing Cultic Christianity is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection
