

Seasons Of My Heart

Once I was young and thought I was cool
A song of love I learned to write
Played my guitar as they taught in school
Thought I sang every line just right
I thought I knew everything about love
After all it was all about you and me
I sang it slow just to let you know
That I would love you for eternity

But the years have erased I love you
From the seasons of my heart
And it's too late, the time too great
For another love song to start
I wasn't cool, just young and dumb
I can see back at the start
Time has erased I love you from
The seasons of my heart

I was true and always around
But time itself led you astray
Tears I've shed without a sound
Have long washed the song away
I'm through with tears and the years
Won't let me write that song again
I'll just dream about the theme
Of a love song that might have been

But the years have erased I love you
From the seasons of my heart
And it's too late, the time too great
For another love song to start
I wasn't cool, just young and dumb
I can see back at the start
Time has erased I love you from
The seasons of my heart

Latin Love Poetry Denise Eileen McCoskey, Zara M. Torlone, 2013-12-17 I hate and I love The Roman poet Catullus expressed the disorienting experience of being in love in a stark contradiction that has resonated across the centuries While his description might seem to modern readers natural and spontaneous it is actually a response planned with great care and artistry It is that artistry and the way in which Roman love poetry works that this book explores Focusing on Catullus and on the later genre of elegy so called for its metre and a form of poetry practiced by Tibullus Propertius and Ovid Denise Eileen McCoskey and Zara Martirosova Torlone discuss the devices used by the major Roman love poets as well as the literary and historical contexts that helped shape their work Setting poets and their writings especially against the turbulent backdrop of the Augustan Age 31 BCE 14 CE the book examines the origins of Latin elegy highlights the poets key themes and traces their reception by later writers and readers

Writing on the Wall Tom Standage, 2013-10-15 From the bestselling author of *A History of the World in 6 Glasses* the story of social media from ancient Rome to the Arab Spring and beyond Social media is anything but a new phenomenon From the papyrus letters that Cicero and other Roman statesmen used to exchange news to the hand printed tracts of the Reformation and the pamphlets that spread propaganda during the American and French revolutions the ways people shared information with their peers in the past are echoed in the present Standage reminds us how historical social networks have much in common with modern social media The Catholic Church's dilemmas in responding to Martin Luther's attacks are similar to those of today's large institutions in responding to criticism on the Internet for example and seventeenth century complaints about the distractions of coffeehouses mirror modern concerns about social media Invoking figures from Thomas Paine to Vinton Cerf co-inventor of the Internet Standage explores themes that have long been debated from the tension between freedom of expression and censorship to social media's role in spurring innovation and fomenting revolution *Writing on the Wall* draws on history to cast provocative new light on today's social media and encourages debate and discussion about how we'll communicate in
