The Seasons of Marriage Marriage life has different seasons It doesn't matter whether you are a newlywed or have been married for years there will definitely be times in your marriage relationship when you feel frustrated sad angry irritated or confused On the hand there will also be times in your marriage when you feel completely in love bonded connected secure and happy Moments of thoughtfulness playfulness exploration discovery and quiet time together can make you feel like you are living in your own world There is nothing good than feeling loved like everything in your relationship is just connecting In marriage there are two big categories of seasons namely internal and external External marital seasons are those difficult situations matters and issues of which we have absolutely no control Internal marital problems are issues that develop from within the marriage over which both spouses have control A successful couple understand that in order to maintain happiness and balance in their marriage they must learn how to change their gears When complications arise these couples communicate take the risk to express their feelings listen to one another and work TOGETHER to create a solution Marriage is a journey with different seasons as you travel Remember that every season is a unique adventure Live and enjoy the season you are in and enjoy the benedictions through Better communication More quality time together Affair preventions Lowered odds for divorce Reactivated sex life Flexibility to succeed despite conflicting differences Finally good and bad seasons are natural in marriage everyone knows that Sometimes everything is working right for you Sometimes your marriage is facing trials hardships and challenges Sometimes everything seems stagnant and frozen You must know that you can't fast forward rewind or skip reasons No season is for no reason God brings us through every season for divine reason The beauty of marriage is in facing the changes together as a team **The times in our seasons** Angelaurelio Soldi, 2011-10-24 The poems in this collection were written over a span of thirty years as I was learning a new language growing a family becoming a citizen in a new country and finding my way They speak of and to my children my wife and the animals that became part of our lives They are reflections upon incidents events and encounters that affected me Some poems touch upon intimate feelings that we all experience at times in the intimacy of our families at times in the public space Other poems respond to the impact that so often nature has on our feelings and emotions They have helped me find my identity in the land of my choice They are now the store of some of my memories *Times and Seasons* James Langston, 2018-03-18 The basic argument for this book is that God has appointed fixed laws for the well being of man and has given him a consciousness of another life therefore it is to man's wisdom and happiness to obey these laws consoling himself with the fact of their immutability and benevolence Understanding your times and seasons will help prevent you from making a lot of mistakes in the future It will also help prevent you from making wrong turns and unwise
