Sebei Law:

Sebei Law Walter Goldschmidt, **Sebei Law** Walter Goldschmidt, 1967 **The Marakwet of Kenya** B. E. Kipkorir, Frederick Burkewood Welbourn, 2008 The Marakwet of Kenya is a study of a sub group of the greater Kalenjin community the majority of whom live in the Rift Valley Province of Kenya It is an excellent introduction to the study of an African community in transition both from its belief systems and in its broad structure and organisation This work is invaluable to any student of comparative studies whether in sociology anthropology economics or history **Man in Adaptation** Yehudi A. Cohen, 2017-07-12 How do specific activities and institutions in which people are involved fit into the overall adaptive strategy of their society What are the particular pressures leading to change in each of these spheres when the group's strategy of adaptation changes What are the human demands made by a hunting gathering strategy that lead to the development of particular family systems modes of social control religious beliefs and practices values and ideologies and personality structures What are the new human demands that lead to the reorganization of these aspects of life as the group moves from one level of development to another Man in Adaptation The Institutional Framework introduces the institutional psychological and ideological dimensions of the strategies of adaptation that have characterized human societies from the earliest known forms of social life to the present Cohen includes topics that are of principal anthropological concern notably marriage law and social control religion and magic value systems personality and art There are no studies that deal with cultural change as such in this book Where possible Cohen includes articles that deal with changes in particular spheres of activity such as family organization law religion and value systems He argues that change is not a special situation Instead culture is change and change is culture and it is unrealistic to study change outside the specific social and technological organization of a given society This volume unifies the subject matter of anthropology within a single and powerful explanatory framework and incorporates the work of the most renowned anthropological experts on man **International Protection of Human Rights** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on International Organizations and Movements, 1974 **Kambuya's Cattle** Walter Rochs Goldschmidt, **International Protection of Human Rights** United States. Congress. House.
