

SHIP STRIKE PACIFIC

An aerial photograph capturing a dramatic maritime event, likely a ship strike. A large, dark, irregular mass of smoke and debris billows from the center of the frame, partially obscuring a ship below. To the right, another ship is visible, tilted at a steep angle, with a large plume of white smoke rising from its deck. The surrounding water is dark and choppy. The overall scene conveys a sense of intense action and destruction.
