The First Day of Many M.E. Marlowe,2022-05-02 Nine year old Luisa Maria thought she was dreaming when she heard her father whisper very softly and calmly Honey get up stay low and do not say a word He held her hand and in a crouched position led her to the top of the stairs where she saw her mother holding Luisa Maria s newborn brother Her twelve year old brother was kneeling next to her mother She thought this was not the way she would usually wake up every morning Where was the unique sound of the tocororo bird letting her know that it was a brand new day

Instead she woke up listening to whispers sounds of bombs going off and faces full of fear What is going on Luisa Maria thought to herself She saw her family all gathered by the large wooden mahogany door that guided the entrance to the grand front balcony of their home located in the suburb of Alturas de Belen the Heights of Bethlehem which was just outside Marianao Cuba Maria Luisa asked Where am I She thought in her semi asleep state She did not know what was happening Was it real or all part of a terrible nightmare She became frightened It was an overwhelming fear one that she had never experienced before in her life It was not the fear that she had when her older brother would play tricks or pranks on her It was not the fear she experienced when she would hear her Aunt Isabel s ghost stories from the old days It was not the fear of the crazy woman that would walk the streets throwing stones at houses It was not even the fear caused by the famous El Caballero de Paris the Count of Paris a very well known harmless transient that roamed the streets of Havana This time it was different This fear was one that left her speechless For it was more than fear it was sheer terror The First Day Of Many recounts the journey of a young Cuban girl coming to America and the trials and tribulations she endured along the way to reunite with her family in a foreign land which came to be known as home for them

Democracy and Time in Cuban Thought María de los Ángeles Torres,2024-01-30 In this analysis of political discourse in Cuban culture Mar a de los ngeles Torres focuses on how the concept of time has been employed by different political projects arguing that an emphasis on human actions in the present is important for a democratic political culture

Los Zapaticos de Rosa Y Otros Cuentos Hispánicos Alma Flor Ada,F. Isabel Campoy,2022-05 *From Bananas to Buttocks* Myra Mendible,2010-06-03 From the exuberant excesses of Carmen Miranda in the tutti frutti hat to the curvaceous posterior of Jennifer Lopez the Latina body has long been a signifier of Latina o identity in U S popular culture But how does this stereotype of the exotic erotic Latina bombshell relate if at all to real Latina women who represent a wide spectrum of ethnicities national origins cultures and physical appearances How are ideas about Latinidad imagined challenged and inscribed on Latina bodies What racial class and other markers of identity do representations of the Latina body signal or reject In this broadly interdisciplinary book experts from the fields of Latina o studies media studies communication comparative literature women s studies and sociology come together to offer the first wide ranging look at the construction and representation of Latina identity in U S popular culture The authors consider such popular figures as actresses Lupe V lez Salma Hayek and Jennifer Lopez singers Shakira and Celia Cruz and even the Hispanic Barbie doll in her many guises They investigate the media discourses surrounding controversial Latinas such as Lorena Bobbitt and Marisleysis Gonz lez And they discuss Latina representations in Lupe Solano s series of mystery books and in the popular TV shows El Show de Cristina and Laura en Am rica This extensive treatment of Latina representation in popular culture not only sheds new light on how meaning is produced through images of the Latina body but also on how these representations of Latinas are received revised and challenged
