Motion Pictures and Filmstrips Library of Congress, 1968 Speed Write Your First Screenplay Mark Victor Hansen, Steve Gottry, 2021-09-30 Imagine this You sell a spec screenplay to a major Hollywood studio Maybe this is a new idea that just occurred to you or perhaps it's something you've thought about for some time Of course you realize that hundreds of thousands of books are published every year but fewer movies are produced and a self produced movie is rare But fortunately for aspiring screenwriters there are many newer entities buying and making original motion pictures today including Netflix Amazon Prime Hulu and the History Channel If you want to compete with established screenwriters you'll have to STUDY WORK HARD and NEVER GIVE UP You'll need HONEST CRITICS and possibly a WRITING PARTNER But once you begin the process you will love it You'll feel energized and who knows you might even become obsessed with writing Perhaps you want to share what you've learned about life and your beliefs or perhaps you want to design your own characters and create a story to place them in Either way when you've finished you will be so proud of what you've accomplished So grab this book and your diary or journal your laptop a tablet or a few blank sheets of paper Find a quiet place to work pour yourself a liquid refreshment and start to fill in the blanks You can start over as many times as you want Just keep writing and get ready to share your screenplay with the world Films and Other Materials for Projection Library of Congress, 1968 *National Union Catalog*, 1973 Includes entries for maps and atlases **Webster's Third International Dictionary of the English Language, Unabridged**, 1961 **Motion Pictures: a Catalog of Books, Periodicals, Screenplays and Production Stills: Production stills** University of California, Los Angeles.
