

MY THIRTY
YEARS' WAR
an autobiography by
Margaret Anderson

My Thirty Years War An Autobiography

Irene Gammel

My Thirty Years War An Autobiography:

My Thirty Years' War Margaret C. Anderson, 1970 America-- Meet Modernism! Barbara Probst Solomon, 2003 The Little Magazine Movement is as significant a literary landmark as the 1913 Armory Show is to art These founding women publishers were alert to social issues though their emphasis was on modernism My Thirty Years' War Margaret C. Anderson, 1971-02-25 This is the autobiography of Margaret Anderson who ran a literary magazine called The Little Review for 30 years from 1899 to 1929 **My Thirty Years' War** Margaret C. Anderson, 1930 The Autobiography Johann Wolfgang von Goethe, Gregor Serba, 1969 *The Notorious Ben Hecht* Julien Gorbach, 2019-03-15 2019 National Jewish Book Award Finalist for Biography Ben Hecht had seen his share of death row psychopaths crooked ward bosses and Capone gun thugs by the time he had come of age as a crime reporter in gangland Chicago His grim experience with what he called the soul of man gave him a kind of uncanny foresight a decade later when a loose cannon named Adolf Hitler began to rise to power in central Europe In 1932 Hecht solidified his legend as the Shakespeare of Hollywood with his thriller Scarface the Howard Hughes epic considered the gangster movie to end all gangster movies But Hecht rebelled against his Jewish bosses at the movie studios when they refused to make films about the Nazi menace Leveraging his talents and celebrity connections to orchestrate a spectacular one man publicity campaign he mobilized pressure on the Roosevelt administration for an Allied plan to rescue Europe's Jews Then after the war Hecht became notorious embracing the labels gangster and terrorist in partnering with the mobster Mickey Cohen to smuggle weapons to Palestine in the fight for a Jewish state The Notorious Ben Hecht Iconoclastic Writer and Militant Zionist is a biography of a great twentieth century writer that treats his activism during the 1940s as the central drama of his life It details the story of how Hecht earned admiration as a humanitarian and vilification as an extremist at this pivotal moment in history about the origins of his beliefs in his varied experiences in American media and about the consequences Who else but Hecht could have drawn the admiration of Ezra Pound clowned around with Harpo Marx written Notorious and Spellbound with Alfred Hitchcock launched Marlon Brando's career ghosted Marilyn Monroe's memoirs hosted Jack Kerouac and Salvador Dalí on his television talk show and plotted revolt with Menachem Begin Any lover of modern history who follows this journey through the worlds of gangsters reporters Jazz Age artists Hollywood stars movie moguls political radicals and guerrilla fighters will never look at the twentieth century in the same way again **Baroness Elsa** Irene Gammel, 2003-08-29 The first biography of the enigmatic dadaist known as the Baroness Elsa von Freytag Loringhoven Elsa von Freytag Loringhoven 1874 1927 is considered by many to be the first American dadaist as well as the mother of dada An innovator in poetic form and an early creator of junk sculpture the Baroness was best known for her sexually charged often controversial performances Some thought her merely crazed others thought her a genius The editor Margaret Anderson called her perhaps the only figure of our generation who deserves the epithet extraordinary Yet despite her great notoriety and influence until recently her story and work have been little known

outside the circle of modernist scholars In Baroness Elsa Irene Gammel traces the extraordinary life and work of this daring woman viewing her in the context of female dada and the historical battles fought by women in the early twentieth century Striding through the streets of Berlin Munich New York and Paris wearing such adornments as a tomato soup can bra teaspoon earrings and black lipstick the Baroness erased the boundaries between life and art between the everyday and the outrageous between the creative and the dangerous Her art objects were precursors to dada objects of the teens and twenties her sound and visual poetry were far more daring than those of the male modernists of her time and her performances prefigured feminist body art and performance art by nearly half a century **The New Cambridge**

Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Chicago by the Book** The Caxton Club, 2018-11-20 Despite its rough and tumble image Chicago has long been identified as a city where books take center stage In fact a volume by A J Liebling gave the Second City its nickname Upton Sinclair's The Jungle arose from the midwestern capital's most infamous industry The great Chicago Fire led to the founding of the Chicago Public Library The city has fostered writers such as Nelson Algren Saul Bellow and Gwendolyn Brooks Chicago's literary magazines The Little Review and Poetry introduced the world to Eliot Hemingway Joyce and Pound The city's robust commercial printing industry supported a flourishing culture of the book With this beautifully produced collection Chicago's rich literary tradition finally gets its due Chicago by the Book profiles 101 landmark publications about Chicago from the past 170 years that have helped define the city and its image Each title carefully selected by the Caxton Club a venerable Chicago bibliophilic organization is the focus of an illustrated essay by a leading scholar writer or bibliophile Arranged chronologically to show the history of both the city and its books the essays can be read in order from Mrs John H Kinzie's 1844 Narrative of the Massacre of Chicago to Sara Paretsky's 2015 crime novel Brush Back Or one can dip in and out savoring reflections on the arts sports crime race relations urban planning politics and even Mrs O Leary's legendary cow The selections do not shy from the underside of the city recognizing that its grit and graft have as much a place in the written imagination as soaring odes and boosterism As Neil Harris observes in his introduction Even when Chicagoans celebrate their hearth and home they do so while acknowledging deep seated flaws At the same time this collection heartily reminds us all of what makes Chicago as Norman Mailer called it the great American city With essays from among others Ira Berkow Thomas Dyja Ann Durkin Keating Alex Kotlowitz Toni Preckwinkle Frank Rich

Don Share Carl Smith Regina Taylor Garry Wills and William Julius Wilson and featuring works by Saul Bellow Gwendolyn Brooks Sandra Cisneros Clarence Darrow Erik Larson David Mamet Studs Terkel Ida B Wells Barnett Frank Lloyd Wright and many more American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index

Whispering the Techniques of Language: An Emotional Quest through **My Thirty Years War An Autobiography**

In a digitally-driven world where displays reign supreme and immediate interaction drowns out the subtleties of language, the profound techniques and psychological subtleties concealed within words frequently get unheard. However, located within the pages of **My Thirty Years War An Autobiography** a fascinating literary prize pulsating with fresh feelings, lies an extraordinary journey waiting to be undertaken. Written by a skilled wordsmith, this enchanting opus encourages viewers on an introspective trip, lightly unraveling the veiled truths and profound affect resonating within the fabric of each and every word. Within the mental depths with this touching review, we will embark upon a heartfelt exploration of the book's primary subjects, dissect its interesting publishing type, and fail to the powerful resonance it evokes strong within the recesses of readers' hearts.
