from the heart felt experiences and trial and error of working through the aftermath of break ups and starting over in new relationships and the self examination that should go on in between It also uses the imagery of experiences from childhood that lend insight into the hard taught lessons about the authors own self image Feiffer's People Jules Feiffer,1969 A long run Broadway hit this warmly humorous and human play by our theatre s most renowned comic writer offers a wise and witty examination of a family hilariously beset by marital and domestic problems one of the most professional pieces of work Bro
