My Village:

My Village Michael J Walsh, Ph.D,2023-12 The people who built Newgrange were a special people With their magnificent works they have left their imprints on the sands of time Their legacy tells us much about them They were a highly organised neolithic society They had advanced engineering skills They had the courage to undertake massive projects They were skilled in art and astronomy They had a multi dimensional view of the cosmos that illuminated their world They held powerful beliefs Part of them no doubt still resides deep within ourselves We need to know them better We can learn much from them Ireland is at a cusp at the moment as it also was in their time For inspiration we need to look no further than the mounds of Meath This book will take you inside the minds of those who built Newgrange and help you share their Neolithic imagination courage and beliefs *My Village, My World* Solomon Biturogoiwaswa,Anthony R. Walker,2001 **My Village, Versus "Our Village"** Thomas Crofton Croker,1833 My Village Diolinda Peterson,2010-09 I was a thirty something woman with a husband a daughter and a dog And then one morning I found a lump in my right breast and my life stopped shifted direction and became something I could never have imagined Early one Saturday morning in October 2004 Diolinda Peterson found a lump in her breast her worst nightmare after watching her own mother only five years before fight the disease and lose her life to cancer Suddenly her world was consumed with diagnosis surgery and chemotherapy forcing her to face her own mortality Fearing that history might repeat itself she considered the repercussions that her death might have on her husband and young daughter Throughout this year long battle though she was not alone but instead supported by family and friends whom she lovingly referred to as her Village *My Village A Young Family s Story of Cancer Love and Gratitude* is a story of hope surpassing incredible fear and loss As a family the Petersons forced themselves to name their horror honor their fear and reframe their minds and hearts with love and gratitude s power Courageously written this memoir constructs a realistic picture of what it feels and looks like for a young woman to have cancer and it shares how a family coped survived and eventually thrived despite their terrifying journey **New York, My Village** Uwem Akpan,2025-04-25 Exuberant storytelling full of wry comedy dark history and devastating satire by the celebrated and original author of the 1 New York Times bestseller *Say You re One of Them* From a suspiciously cheap Hell s Kitchen walk up Nigerian editor and winner of a Toni Morrison Publishing Fellowship Ekong Udousoro is about to begin the opportunity of a lifetime to learn the ins and outs of the publishing industry from its incandescent epicenter While his sophisticated colleagues meet him with kindness and hospitality he is soon exposed to a colder ruthlessly commercial underbelly callous agents greedy landlords boorish and hostile neighbors and beneath a superficial cosmopolitanism a bedrock of white cultural superiority and racist assumptions about Africa its peoples and worst of all its food Reckoning at the same time with the recent history of the devastating and brutal Biafran War in which Ekong s people were a minority of a minority caught up in the mutual slaughter of majority tribes Ekong s life in New York becomes a saga of unanticipated strife The great apartment deal wrangled by his editor turns out to

be an illegal sublet crawling with bedbugs The lights of Times Square slide off the hardened veneer of New Yorkers plowing past the tourists A collective antagonism toward the other consumes Ekong s daily life Yet in overcoming misunderstandings with his neighbors Chinese and Latino and African American and in bonding with his true allies at work and advocating for healing back home Ekong proves that there is still hope in sharing our stories Akpan s prose melds humor tenderness and pain to explore the myriad ways that tribalisms define life everywhere from the villages of Nigeria to the villages within New York City New York My Village is a triumph of storytelling and a testament to the life sustaining power of community across borders and across boroughs
