My Survival In Vietnam:

My Survival in Vietnam Ronald R. Choquette,2001 This book describes in detail Ron Choquette s military life and the battles in Vietnam that he was involved in plus his training prior to Vietnam *Texas Aggies in Vietnam* Michael Lee Lanning,2016-10-04 From its inception graduates of the Agricultural and Mechanical College of Texas now Texas A M University have marched off to fight in every conflict in which the United States has been involved The Vietnam War was no different The Corps of Cadets produced more officers for the conflict in Southeast Asia than any institution other than the US service academies Michael Lee Lanning Texas A M University class of 1968 has now gathered over three dozen recollections from those who served As Lanning points out anytime Aggie Vietnam veterans get together whether it is two or two hundred of them war stories begin The tales they relate about the paddies the jungles the highlands the waterways and the airways provide these veterans with an even greater understanding of the war they survived They also allow glimpses into the frequent dangers of firefights the camaraderie of patrol and often humorous responses to inexplicable situations These revelations provide insight not only into the realities of war but also speak to the character of the graduates of Texas A M University As Lanning concludes these war stories are as much a part of service as is that old green duffle bag a few rows of colorful ribbons and a pride that does not diminish In reality there is only one story about the Vietnam War We all just tell it differently *Da Nang Postscripts* B. F. Gaulman,2013-05-10 Dave Simms is a young black marine stationed at the Da Nang Air Base during the Vietnam War Working as a supply clerk he fights not only the Viet Cong but also everyday boredom and the absurdity of military life In the face of those challenges his search for personal identity leads him through a drunken and reefer smoking year of ludicrous encounters Simms finds himself in perilous surroundings and yet is protected from the worst of events in many waysbut not always The horrors of war reach even him leaving a mark that not even alcohol fueled nights can erase Simms rarely meets the enemy but his worst fears arise more from what the marines might do to him The preposterous bloodthirsty mind set of the Marine Corps feeds his hatred for them and his determination to leave Vietnam not only alive and in one piece but also in his right mind a goal that might prove impossible to achieve In this military novel a young marine serving in Vietnam struggles to stay alive and keep his sanity in the face of the brutality of war **300 Missions Over Vietnam** Stewart Cranston,2025-07-16 In this vivid account a young F 100 pilot describes his life in a fighter squadron in the peak year of the Vietnam War Through commentary and 72 letters written to loved ones back home this work details combat operations mission briefings flight protocols tactics and targets It speaks of dangers faced enemy fire harsh weather and unforgiving terrain as well as the brutal fury and inspiring beauty of nature in a land far from home Presenting the human side of war the author depicts a world of exhilaration despair deep melancholy loss and longing *Voices of the Vietnam POWs* Craig Howes,1993 Contains primary source material **Vietnam Combat Commander** Colonel (Ret.) George R. Mauldin,2025-10-31 This memoir takes an unvarnished first hand look at the good the bad and the ugly of an

infantryman's life in the Vietnam war zone Depicting both the euphoria of success and the depression and remorse of failure the real life stories of Colonel George Maudin cover two tours in the Vietnam War one with the 1st Cavalry Division in the central highlands and another with the 9th Infantry Division in the Mekong Delta Some of his experiences are so bizarre that one can only laugh others are tragic told from a dark abyss with the dirty wet and cold infantryman and some reveal the suffering of innocents at the hands of careless or over zealous Americans This account of two distinct facets of a bloody war weaves a complex tapestry containing both the dread and terror inherent to the war as well as the inevitable light heartedness and victorious moments that spring from the camaraderie of brothers in arms **A Pilot's Tale - Flying**

Helicopters in Vietnam William Heilman, 2008 In the 60's a war was being fought in Vietnam Helicopters were being used in many different rolls for the first time The author recounts his experiences flying helicopters on two tours of duty in Vietnam *Why Is God Always Late?* Rev. Curtis I. Crenshaw, Th. D., 2012-10-10 Do you hurt do the heavens seem as brass with no answers coming and are you wondering where God is You keep waiting but nothing is working out This easy to read book from true life stories is what you need It is available as an eBook in PDF and in a printed copy to carry with you

Beyond Survival Gerald Coffee, 2013-10-23 When life loses its meaning when suddenly the world is turned upside down when there's nothing left that resembles life as we've known it where do we find the strength and sustenance to go on For naval aviator Jerry Coffee and others who were held as prisoners of war in North Vietnam there was only one choice to go within Beyond Survival is a journey into the invincible human spirit that unites heart and mind in a compelling and unforgettable experience Drawing from his seven years as a POW Captain Coffee provides timeless lessons that apply to the physical emotional and ethical challenges of everyday life Proving that leadership and creativity are possible in difficult and uncertain circumstances Captain Coffee offers a message we can draw on in any trying situation His story demonstrates that conviction must come from within and in telling that story he touches the place inside of us where growth begins Beyond Survival is a positive statement about love and commitment in the midst of war and division It contrasts the cold reality of war degradation and torture with the warmth of human connections inner serenity and kinship with all of life It poignantly illustrates that to be stripped of everything that is familiar and by which we identify ourselves leaves us with only what unites us our human identity It conveys truths about relationships at every level with ourselves with others with our country and with our God Without inflaming the wounds inflicted by America's involvement in Vietnam Beyond Survival explores an issue at the heart of every free society the willingness of ordinary individuals to maintain a passion for freedom so compelling that adversity strengthens rather than weakens personal resolve in the worst of circumstances Through Gerald Coffee's story you will discover the universal principles of survival and triumph that empower anyone to overcome adversity *LIFE*, 1965-08-06 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view

photos of today s people and events They have free access to share print and post images for personal use
