My Thanksgiving Of Senses:

A CHIMPANZEE'S GUIDE FOR RETAIL MANAGEMENT Bill Langston,2024-12-19 Retail management is not an easy career path Long hard hours missed holidays and many hours of missed family time Yet a career in retail is also rewarding and rarely a boring career choice *The Rebirth of the Church* William Powell Tuck,2020-07-14 Many negative voices predict the demise of the church or even claiming it has already happened Is this negative assessment accurate Is there hope for the church William Powell Tuck believes that there is Drawing from a lifetime of experience as a pastor honed by research teaching at the seminary level and writing he provides a roadmap for the church to be both faithful and to speak clearly in the 21st century The presentation is rooted in scripture theologically informed and fully aware of the reality that churches face today This is not your dry text on ecclesiology While it could serve as a text for a seminary class the class would be a practical class about how to reform the church and reach out to a world in need This book is an exceptional resource for pastors but it would also provide an excellent basis for a churchwide study helping a congregation to extend their witness

A Common Sense, Practical Guide to Divorce in New York Lenard Marlow,2021-01-05 The simple message of this book is

that divorcing husbands and wives should not allow divorce lawyers to send them off on a fool s errand that will take what is already a tragedy in their lives and turn it into a nightmare That is when they are persuaded to employ the law as a weapon in a legal tug of war the object of which is simply to get as much as you can and to give as little as you have to Rather they should look to the law as a common framework that they can turn to in their effort to conclude an agreement and thereby get on with their lives There is a name for this It is called divorce mediation and it doesn t take forever or cost a king s ransom
