My Thoughts As They Come:

My Thoughts Exactly Arthur G. Typermass, 2004-08-10 Why are parking lots the most dangerous places in America What are the hardest packages to open Do inanimate objects have a life Can they talk to one another What is the real purpose of those high walls along the interstate These and other daunting questions of our time will be answered definitively in this lively and witty collection of essays and stories Along the way we will travel alongside a band of latter day civil disobedients as they strive for a strange justice and empathize with a struggling artist as he seeks an unconventional pathway toward recognition In another tale a chance encounter on a snowy night in west Texas reveals what really went down the day the music died The author also revisits simpler times recalling a quiz show jackpot gone awry a cherished world series played long ago and the remembrance of cars past More fanciful diversions include the writers presentation on his own Presidential campaign a piece on why everyone is badly attired in a land of plenty and the ongoing challenges everyman faces today in coping with advancing technology A true Renaissance Man writer Typermass visits a wide array of subject matter in a book that captures one mans take on popular culture My Thoughts Ferrari King, 2024-05-03 This is some random stuff I wrote a long time ago I may not support everything I wrote back then *My Thoughts Exactly* Joe Stewart Pitts, 2010-04-09 Life is so full of ups and downs and we all have at one point or another experienced these trials and tribulations *My Thoughts Exactly* takes you to places I ve been and expresses just what it says my thoughts I imagine so many of us have often felt the same emotions and no one didn t quite understand what we were feeling I ve captured some of my deepest feeling that filled my soul while journeying through life and in the process I hope to assure you you re not alone in this circle of emotions there are others like yourself My Thoughts Shanda Brown, 2019-01-03 *My Thoughts* by Shanda Brown **My Thoughts** Ronald Oliver, 2018-11-09 In the Book of Habakkuk God answers a question asked of by the prophet by saying the following And the Lord answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 The reason that so many people both believers and nonbelievers are in the conditions they are in is because they have allowed themselves to lose the vision especially the vision of our coming of the Lord Jesus They have all owed themselves to be blinded by the things of this world The apostle Paul stated it like this In whom the God of this world hath blinded the minds of them which believe not lest the light of the glorious gospel of Christ who is the image of God should shine until them 2 Corinthians 4 4 We live in a society that is full of hate violence destruction wars and rumors of wars discrimination prejudice racism poverty atheism no reverence for God for God at all no fear of God Almighty The Bible lets us know The fool hath said in his heart There is no God They are corrupt they have done abominable works there is none that doeth good Psalm 14 1 The reason so many people both believers and nonbelievers have lost the vision is because they are not seeking the after God they are not turning from their wicked ways This is the reason District Elder Ronald Gene Oliver put together this book *My Thoughts* not only to spread the gospel of Jesus Christ but to let people who have feelings of no

hope that God is still alive and that he is still on the throne and in control regardless of all the negativity that exists in the world As has been stated before this book is not about fiction it is not a novel or a group of short stories It is an anthology i e a group of writings on various subjects having been preached taught and presented at different Bible classes church revivals seminars workshops conferences over a span of thirty plus years under the divine inspiration of God s Holy Spirit and impressed upon the heart of this author to put together in writing to touch the heart and soul whomever is the reader

Undressing My Thoughts Sherie Harnsberry,2013-10-23 The anticipated sequel to Read Between The Sheets Undressing my thoughts sparks all types of emotions and the author s penmanship is definitely skillful Her style can be easily read by the formation of writing If one loves poetry and wisdom then Undressing my thoughts is a must read **Costa Rica with Bubba and Bro and My Thoughts...** H. Ron Stephens,2005-12 I have tried to put to paper words from my mind and my heart of a sixty plus day trip from San Antonio Texas to Costa Rica with two special friends I had been acquainted with these guys for some twenty years or so I learned that we really don t know or understand each other until one is locked up with the other and are confronted with each other s idiosyncrasies I ve sure got mine and I discovered those of my friends You may share the humor of three men sixty plus years of age looking for adventure challenges and searching to find themselves The thoughts of my mind wander around and are put to paper They come from a heart that has been trampled on and being released to a new beginning There are adult descriptions and language You may find them interesting or you may not **My Thoughts in Words** Bulie Bella Gwanya,2011-10-31 Every single day is worth you giving it a brand new effort that you need to give at heading towards a life you deserve and is worth living My thoughts In Words is about simple realisations applied that made a huge impact in someone s life I am quite determined to share these realisations as many people will relate to them This book will take our readers to an intrepid journey of the past present and the future by engaging in these three Chapters the book is divided into **My Thoughts** Kevin Anderson,2022-01-21 My Thoughts are the actions and inactions of my heart and my mind The words he found longing to say something about this and about that **My Thoughts Become Your Thoughts** Tracy Menchenton,2018-10-24 The existence of life s Presence within you the Kingdom of God was never intended to be a mystery And Eternal life is to be experienced now in this Present moment of life s only reality Your life s Conscious driven purpose was predestined before you were ever born It has always existed within you ready to be revealed you just had to come into the light of awareness of its existence This is the Practice of Awakening Your Mind to Your True Identity Life s Calling and Your Inspired Purpose The Minds Renewal Is the Path to Your New Transformation You are not who you think you are Your mind s false self awareness has separated you from the Presence of life In your separation from life s only reality this Present time you have created a false self identity or ego This ego continues to lead you astray from life s Presence by seeking for more beyond this Present moment the only reality of life s existence Transcend your mind s false self awareness to the higher state of Consciousness the awareness of your Oneness with life s Presence Know your true

identity your Oneness with the Author and Perfecter the Creator of all life The end of all suffering You hold the key to your inner peace the end of your mental suffering You are not your thoughts the thinking and rationalizing mind but you are the observing or witnessing Presence within Know your mind s right standing position its correct alignment with Consciousness the awareness of life s Presence in the here and now of reality Learn to become free from the mind s attachment to the intellect and put an end to all your suffering Life has a purpose for you Predestined before the foundation of the earth life s unfolding script had a unique role for you to play You were created with a longing desire within to know your inner purpose something much greater than you could imagine for this life You were created with the secret of your identity and purpose hidden within you waiting to be revealed Life is calling you drawing you inward to an awareness of your true self and to fulfill its destiny and there is no greater time than now The New Beginning Are you ready child To take the journey of life as I have set it out just for you Hold fast for there is much to learn much to teach you Lend an ear to Me I will fill you up for wisdom only comes with reverence Ask and you shall receive I give all to My children who reverence Me Do not go outside of life s existence but remain in the Present with Me I shall surely reveal to you My unfolding plans for your life s purpose your great destiny
