My Wicked Valentine:

My Wicked Valentine Ann Mayburn, 2013-11 Lucia Roa needs a miracle to keep her fledgling event planning business from going under. When she gets word about the opportunity of a lifetime to do a Valentine's Day party for an elite club in Washington D C she jumps at the chance. It's not until afterward that she learns the party isn't for just any club; it's for the premier private BDSM club Wicked. Desperate to make the social and professional connections that this job would offer, she agrees to a most unconventional and risqué business arrangement with the handsomest man she's ever met, CEO Isaac O'Keefe. Sworn off relationships years ago after having his heart broken and his bank account emptied by his gold-digging first wife, he thought he'd managed to keep his heart under lock and key, but when Lucia walks into his office, he is instantly drawn to the fiery beauty. He convinces Lucia to take the position as event planner for Wicked's Valentine's Day party, but in order to make the event a success, he must give her a crash course in all the dark pleasures BDSM has to offer. Compatible goals quickly explode into something much steamier, but will Isaac be able to open his heart to his Wicked Valentine? **My**

Torres, 2014 Robin and Starfire go on a date on Valentine's Day, but can they ignore all the distractions including their meddling teammates? **Romance Fiction** Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it, including fans searching for reading material as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit, in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have. [Valentine's Manual of Old New York](#), 1925 *Valentine's Manual of the City of New York*, 1920
