Mysteries Of Development:

The Mysteries, Resurrection, and 1 Corinthians 15 Terri Moore, 2018-09-15 Often ignored misunderstood or compared with Christian belief in a haphazard or inconsistent manner the Mysteries of the Graeco Roman world when handled carefully and consistently can aid in elucidating the context of New Testament texts By closely examining the Eleusinian Mysteries and the Mysteries of Isis and particularly their promises of a pleasant afterlife in Hades for those initiated into the cults this work offers insight into difficult interpretational issues in First Corinthians 15 The work proceeds from a methodological commitment to understanding the Mysteries in their own right and without an overlay of Christian belief The book includes a broad overview of the Eleusinian Mysteries and the Mysteries of Isis and their place in Graeco Roman culture taking a deep and careful dive into conceptions of the afterlife in these cults In each instance available historical data is considered from works of mythology to dramas to archeological fragments all with a focus on afterlife beliefs With an ultimate goal to better understand Paul s writing in First Corinthians 15 the study includes an overview of Corinthian society and a particular examination of the available evidence concerning the impact of the Mysteries on Corinthians expectation of the afterlife Having considered the Mysteries independently the work turns to First Corinthians 15 with a brief exegetical overview before drawing careful comparisons between Paul s teaching and the afterlife beliefs of the Mysteries The book concludes with suggestions for interpretational issues on Paul s teaching in first Corinthians 15 regarding death and resurrection and baptism for the dead *Rudolf Steiner and the Founding of the New Mysteries* Sergei O. Prokofieff, 2017-06-21 In this revised and expanded edition of his classic debut Sergei O Prokofieff investigates the deepest mysteries of Rudolf Steiner s life and individuality from the years of apprenticeship and the great Sun period to the path of the Teacher of Humanity and the birth of the New Mysteries He discusses the earthly and supersensible aspects of the first Goetheanum the implications of the Christmas Conference of 1923 24 and the Foundation Stone meditation that Steiner left as a legacy to members of the Anthroposophical Society In his very personal Introduction Prokofieff describes in moving detail the events in his life which led to his discovery of anthroposophy whilst living in Communist Russia and how eventually he came to write this extraordinary study of Rudolf Steiner The resulting volume a work of secondary anthroposophical literature unprecedented in its depth and significance was first published in Germany in 1982 meeting with equal amounts of acclaim astonishment and controversy It is published in this paperback edition to mark the 35th anniversary of the original publication **Mysteries of Human Development** Chrysalis Wright, 2014-08-16 **The Mystery Readers' Advisory** John Charles, Joanna Morrison, Candace Clark, 2002 Three librarians from Scottsdale Arizona provide library staff with an introduction to the mystery genre and offer tips and techniques for providing advice to mystery readers in the library They include some of their own bibliographies but refer readers elsewhere for fuller ones They also include a brief history of the genre to pass on to readers new to it Pauline Baptism among the Mysteries Donghyun Jeong, 2023-07-04 This monograph

provides an alternative model for looking at the old question about Paul and the mysteries in a new light Specifically this study compares rituals baptism in the Pauline communities and the initiation rituals of the mysteries through the lens of cultural anthropology and the sociology of religion Three research questions lead the project What benefits does each initiation ritual promise its participants What are the underlying messages or structures that guarantee the efficacy of those rituals How and to what extent is the initiation ritual connected to the participants cognition and ethics beyond initiation itself Taking those questions as the analytical framework this study substantiates two points first in terms of ritual messages baptism in the Pauline communities is a ritual analogous to mystery initiation and second Paul is an innovative interpreter of ritual who recalibrates the messages of preexisting rituals for his theological and ethical program seeking to radically extend the implications of initiation to the embodied life of every Christ believer Students and scholars of New Testament early Christianity classics and ritual studies will benefit from engaging this volume
