Sparry, 1847      **The Silence of Sodom** Mark D. Jordan, 2002-05 The past decade has seen homosexual scandals in the Catholic Church becoming ever more visible and the Vatican's directives on homosexuality becoming ever more forceful begging the question Mark Jordan tries to answer here how can the Catholic Church be at once so homophobic and so homoerotic His analysis is a keen and readable study of the tangled relationship between male homosexuality and modern Catholicism Jordan has offered glimpses anecdotal stories and scholarly observations that are a whole greater than the sum of its parts If homosexuality is the guest that refuses to leave the table Jordan has at least shed light on why that is and in the process made the whole issue including a conflicted Catholic Church a little more understandable Larry B Stammer Los Angeles Times Jordan knows how to present a case and with apparently effortless clarity he demonstrates the church's double bind and how it affects Vatican rhetoric the training of priests and ecclesiastical protectiveness toward an army of closet cases This book will interest readers of every faith Daniel Blue Lambda Book Report A 2000 Lambda Literary Award Finalist      Making Italy Anglican Stefano Villani, 2022-01-25 Making Italy Anglican tells the long and unexpected story of Italian translations of the Book of Common Prayer the principal liturgical text of the Church of England Beginning in the Venetian Republic and ending with the Italian Risorgimento the leitmotif running through the various incarnations of this project was the promotion of top down reform according to the

model of the Church of England itself Stefano Villani shows how Italy as the heart of Roman Catholicism was over a long period of time the very center of the global ambitions of the Church of England      **The Mysteries of Romanism**
