Mysterious Messengers A Course On Hebrew Prophecy From Amos Onwards:

Mysterious Messengers John Eaton, 2013-05 This book sets out to see the Hebrew prophets with fresh wonder after the increasingly complex and often aris way in which they have been discussed by specialist biblical scholars It keeps in mind their relation to the religious intermediaries of other peoples to great proets of all times and to their own liturgical tradition

Misteriosos mensageiros - Curso de profecia hebraica , **Prophecy and Apocalyptic** D. Brent Sandy, Daniel M. O'Hare, 2007-11 A current and accessible guide to the literature on Old Testament prophecy **Prophecy and**

Hermeneutics Christopher R. Seitz, 2007-08 This original and fruitful approach to the study of the Prophets takes seriously the questions of both exegesis and hermeneutics **Index to Jewish Periodicals** , 2002 An author and subject index to

selected and American Anglo Jewish journals of general and scholarly interests *The Book of the Twelve* , 2020-08-10 This commentary written from a distinctively Pentecostal perspective is primarily for pastors lay persons and Bible students It is based upon the best scholarship written in popular language and communicates the meaning of the text with minimal technical distractions The authors offer a running exposition on the text and extended comments on matters of special signigance for Pentecostals They acknowledge and interact with alternative interpretations of individual passages This commentary also provides periodic opportunities for reflection upon and personal response to the biblical text **The**

Message of Jonah Rosemary Nixon, 2024-04-02 The book of Jonah is likely the best known of the minor prophets and is often remembered for its oddity In this BST volume Rosemary Nixon moves beyond the amusing irony to show that this book reaches out and touches us where we are today exploring the depths of the book and helping us make connections with our view of God and his world **Deconstruction and Reconstruction in Yhwh's Universal Project** Louismary

Ocha, 2022-01-27 Taking its bearing from the mission statement in prophet Jeremiah s vocation narrative Jer 1 10 the book examines YHWH s events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a prophet of woes and laments thereby limiting his prophecies to only oracles of destruction hence total annihilation Rather it investigates Jeremiah s prophecies as flying with two wings oracles of judgement and oracles of salvation In other words the oracles are not only against the nations but also for the nations With the exile of the Israelites and their restoration to the land in view according to the book of Jeremiah YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel s history In like manner the book portrays the abiding divine presence in the history of humankind in general Therefore Israel is only used to form a bridge of YHWH s concern for the nations hence the entire humanity As YHWH sets the history of Israel in motion so He performs for the rest of humanity The goal of which has always been for the good and salvation of humankind of which the culmination is in the person and advent of Jesus Christ *Heythrop Journal* , 1998 A select book list appears quarterly **The Hermeneutical**

Spiral Grant R. Osborne, 2010-01-25 In this revised and expanded edition Grant Osborne provides seminary students and working pastors with the full set of tools they need to travel the hermeneutical spiral moving from sound exegesis to the development of biblical and systematic theologies and to the preparation of sound biblical sermons
