Mysterious New England:

Mysterious New England Austin N. Stevens, 1971 Mysterious New England Charles River Charles River Editors, 2016-02-28 Includes pictures Profiles the Salem Witch Trials and other historic phenomena in New England Includes online resources and a bibliography for further reading Includes a table of contents I think one of the reasons Stephen King's stories work so well is that he places his stories in spooky old New England where a lot of American folk legends came from Ted Naifeh New England has always had a special place in the national memory The states of Connecticut Maine Massachusetts New Hampshire Rhode Island and Vermont have a long history as some of the earliest colonies in the New World Their rich folklore and colorful history is woven into the national identity and destinations such as Plymouth Rock the lighthouses of Maine and Vermont's autumn leaves are quintessential symbols of the United States But New England has always had a dark side a strange side Monsters and ghosts lurk in its woods and old houses and strange monuments that may be from a forgotten civilization puzzle local investigators All the while the early inhabitants themselves were always superstitious as evidenced by history's most famous witch trials Today the Salem Witch Trials are often remembered as being a relic of a superstitious past and Salem has transformed itself into a tourist haven and Halloween destination by capitalizing off the Salem Witch trials but it was deadly serious in 1692 when 19 men and women found themselves taken to Gallows Hill and hanged for being witches Another man who was over 80 years old was pressed to death for refusing to be tried for witchcraft and from February 1692 May 1693 hundreds of others were accused of witchcraft Dozens of them were imprisoned for months until the mass hysteria finally died down *Mysterious New England A History of the Region's Mysteries Hauntings and Strange Creatures* profiles a sampling of strange unexplained and just plain odd stories of New England that have fascinated people in and around the region for centuries Along with pictures of important people places and events you will learn about mysterious New England like never before in no time at all *Weird New England* Joseph A. Citro, 2005 It may seem like clambakes the Red Sox and the Patriots define New England but boy did the Pilgrims land in one very strange spot These six states are filled with odd curiosities and bizarre legends such as the elusive Vermont hum the hibernating hill folk hillside whale tales and the Holy Land yes you read that right Tongue in cheek and filled with dry wit this is a journey you'll not soon forget P 4 of cover Cursed in New England Joseph A. Citro, 2018-08-01 New Englanders are always cursing But a colorful profanity uttered by some stereotypically taciturn old Yankee is usually more humorous than menacing Yet true maledictions the opposite of benedictions have frequently been spoken on New England soil curses intended to invoke evil injury or total destruction against other people Stories about preternatural revenge are numerous in Yankee lore with each New England state providing its favorites You'll read about curses that were followed by the strange disappearance of a father and daughter in Rhode Island mysterious afflictions in Massachusetts a river of death in Maine an unaccountable blight in New Hampshire unexplained madness in Connecticut and other eerie happenings from New England

s colorful history Some are well known at least regionally Others are nearly forgotten Within these pages storyteller Joseph A Citro vividly brings these tales to life letting us decide if these tales of woe were bad luck or something else Mysterious Tales of the New England Coast Edward Rowe Snow,1961 Twenty two stories involving ships adventurers a nuclear scientist and others **The Dover Demon** Mary Schulte,2009-12-11 This book recounts the story of the Dover Demon a mysterious creature that reportedly appeared in Dover Massachusetts in 1977 Includes eyewitness accounts alternative explanations and the newest theories In three separate encounters several teenagers gave similar descriptions of an eerie and unidentifiable creature Details are provided about the sightings the subsequent investigation and media reports that followed

Green Mountain Ghosts, Ghouls & Unsolved Mysteries Joseph A. Citro,1994-10-15 Take a chilling tour of spooky New England legends Visit Vermont with this comprehensive collection of tales legends folklore ghost stories and strange but true facts and enjoy supernatural side trips to the surrounding areas of New York Massachusetts New Hampshire and Quebec with this delightful guide to the region s haunted history From Chittenden s Ghost Shop to the Hubbardton Horror to the Mystery of the Bennington Triangle *Green Mountain Ghosts* is filled with local lore and characters more colorful than any fall foliage *Divine Parodies & Holy Histories* Paul Hughes,2007-01-15 This book is a collection of original thoughtful pieces meant to illustrate and apply Biblical Christian principles Divine parodies present Christian truths in an artful and entertaining form A parody is a humorous or satirical imitation of something else Christian parody is a time honored tradition The acme of Christian parody was achieved by Erasmus in *The Praise of Folly* 500 years ago Holy histories are illustrations of Gospel truth drawn from historical persons and events They should not be confused with hagiography which in modern times is used pejoratively of histories and biographies not considered sufficiently critical or cynical There is much to be learned from the past and many persons worthy of emulation Also included is a selection of original poetry which likewise is meant to convey Gospel principles *Haunted America* Michael Norman,Beth Scott,2007-09-18 *Haunted America* takes you on a grand tour of ghostly hauntings through the U S and Canada sweeping from terrifying battle field specters at Little Bighorn to a vaudeville palace in Tampa from ghostly apparitions in President Garfield s home in Ohio to the White House in Washington DC At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Harry Highstreet,2003-08-01
