Mysterious Ways The Providence Of God In Life Of Joseph:

Mysterious Ways David Kingdon, 2004 To know that God wisely governs all His creatures and all their actions is one thing but to apply this truth in our own lives is quite a different matter especially when our hopes are disappointed and providence seems to frown With great insight and pastoral wisdom David Kingdon helps us to apply lessons from the life of Joseph to our own lives He shows that God's people are not lost in a meaningless maze but are safe in the hands of a loving Father However mysterious His ways seem at present He has purposed good for His people and will make it plain in His own time Even when we feel most at a loss about God's dealings with us He is teaching us lessons which could be learned in no other way Kingdon combines the ability to understand the text of Scripture with the sensitive heart of a pastor well prepared to be our friend and guide in this area of spiritual experience from the Foreword by SINCLAIR B FERGUSON **God's**
