Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with  
book after book on the subject of end time interpretation Often the most important aspects of the Bible s prophecies are  
twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important  
prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the  
proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely  
complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in  
the Bible as the infallible Word of God he now presents his findings in God s Prophetic Timeline Never before has there been  
such a clear and concise presentation of God s timeline for the future along with many passages that David admits we cannot  
yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through  
each of Revelation s seven phases ending with new heaven and new earth His approach details even subtle prophetic  
material including Israel s future wealth the world war it triggers and Jesus coronation Don t be puzzled any longer by  
confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow  
along as God s Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible s  
prophecies
