Mystery Emmaus:

The Emmaus Mystery Carsten Peter Thiede, 2005-01-01 For centuries scholars have tried to work out where Emmaus was where in other words the risen Christ walked ate and revealed himself It is a crucial location in the map of Christian belief and one of the great missing links of Christian archaeology which has foxed excavators and biblical detectives for more than a millennium and a half Where is the true site of the astonishing event recorded by St Luke Three suggested sites have been put forward Emmaus Nicopolis which is too far from Jerusalem to fit the story and was a regional capital rather than a village Emmaus Aby Gosh which the Crusaders believed to be the true site but was not called Emmaus in the first century AD and must be ruled out Finally Emmaus El Qubeibe which was favored by the Franciscans as the true site after the 15th century but again was not called Emmaus in the first century The trail went cold long ago or so it seemed Now Thiede has produced his most dramatic find to date His work remains highly confidential and will cause a storm in the archaeological world when it is disclosed The lost site of Emmaus is rising once again from the soil Readers will be astonished by this extraordinary book

Field Hospital Catechesis Nick Wagner, 2018 Pope Francis has compared the Church to a field hospital What can the Church offer to heal the wounded The author lays out what he argues are the most important components of the Gospel message

The Resurrection of Jesus Dale C. Allison, Jr., 2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn't

In the Steps of Jesus Peter Walker, 2018-09-21 Millions of people across the world have heard of Jesus Christ but how many are truly acquainted with the key locations he frequented In the second edition of this established text Peter Walker shares the fruits of his lifetime's research and expert knowledge to present a rich and engaging guide to the historical aspects of Jesus world Following the chronology of Jesus life and ministry and drawing especially on the Gospel of Luke we move from Bethlehem to Nazareth to the desert and then follow him on his final journey from Galilee to Jerusalem In each chapter particular attention is given to what Jesus did in that location placing his ministry within its original historical and geographical context and raising questions of archaeology authenticity and the recorded evidence of later pilgrims and

historians This new edition takes into account the archaeological discoveries of the last 15 years to provide an up to date guide to the Holy Land of today Using maps timelines and boxed features that highlight and analyse key topics In the Steps of Jesus is a rich and absorbing text that presents scholars at all levels of study with a unique insight into Jesus world

Enter the Story Ferder, Fran ,2014-04-10 In a delightful yet profound reading of the Scriptures *Enter the Story* opens up the central stories in the Bible and shows how they are alive in us These stories happen over and over again much like a great unfinished symphony in the lives of those of us who look to Scripture for inspiration In this sense the biblical stories are metaphors events that may have occurred long ago among biblical characters but also the same dramas great and small that happen to believers today every day Fran Ferder takes familiar stories from Scripture and shows us what the significant events or feasts in the great Christian story mean and how they continue to unfold in our lives in ways we do not expect These old stories are new stories Unfinished stories They are our stories And when we understand them they can transform our lives

Singing in the Reign Michael Patrick Barber,2001 Christians know the Psalms sing the Psalms and pray the Psalms more than any other book of the Bible Yet even as believers have grown more devoted to individual psalms they have lost the big picture the single sense that unites all the psalms as one coherent book Michael Barber is at the forefront of an emerging movement in biblical theology With this book he is recovering the narrative plot that was the common heritage of Jews and Christians in the ancient world Barber shows how King David serves as an example for the chosen people as they struggled in exile As David was rescued by the Lord so would Israel be restored as a kingdom for all ages This is the story of Christ as well whom Barber reveals as the new David And in Christ it is the story of every Christian The Psalms bring us in our reading and in our prayer from suffering and pleading to glory triumph and praise Barber s analysis follows upon an extensive introduction by Scott Hahn Ph D detailing the historical cultural and theological background of the Psalter

SAPIENTOCHRISTIANITY REBUILD - 2 Augustin Ostace,2023-03-15 1 Crisis in Theology Crisis in Society Crisis in Economy Crisis in politics Crisis in migrations Crisis through wars the whole Species Sapiens in crisis without end But we in individuality and in community as human being we are fully indebted to the Species Sapiens with no exemption What is to be done in times of multi crisis Will we find through this titanic spirit of daring belonging to Species Sapiens Sapiens as the essence of its birth and becoming an answer to the great enigmas that surround us from all parts of our planetary system our solar system or our galactic system condensed into meanings in the great mysteries of origins and becoming of the Universe of the Solar System and of the Species Sapiens namely Where do we come from Who are we Where are we heading What is Sapiens 2 Drama Drama Drama Will we be able to rethink the universe that seems endless and full of misunderstandings starting with its supposed origin from the Big Bang Biggest Bang as a possible birth from itself with its subsequent becoming through stars galaxies solar systems and planetary systems as well as through this set of Conceptological Philosophies or Anthropological Philosophies or Sapientological or Anthroapo Sapientological Philosophies which illuminate and re illuminate

abysses and labyrinths archetypes and unknowns uncertainties and mysteries both terrestrial and celestial astral and infra uncontained expanses of cellular and sub cellular spatiality and infra temporalities atomic subatomic ionic or molecular 3 Difficulties Difficulties Difficulties Will we manage to rewrite through the triad of Point Line Surface the whole written and transcribed by the thinking and revolting Species through our philosophical system of conceptualism in motion and re stirring of conceptualism in becoming returning of conceptualism in startling and enrichment of conceptualism in organization and self organization of conceptualism in replication and self replication as a redetermination of Individual Self Sapiens Self and Universal Self all three sharing in the same Great Unknown that we cannot know the Absolute and which is perhaps in the depths deeper than us 4 Weaknesses Weaknesses Weaknesses Will we thus withdraw a new vision into Sapiens by the very attempt to overcome and restructure it through its own decoding and re axiality even in the extremely austere conditions of viral pandemics possible revelation of a divine sign Or an astral pathology in fact a pathology of our entire Species both biological and ontological axiological and epistemological as a self revelation of our own fragility and vulnerability in its entirety biologically and bio ontologically 5 Confusions Confusions Confusions Will we be able to revitalize or even transgress a writer or re writer a thinker and a re thinker towards a bolder of all breaking levels from the horizons of knowledge and abstract constructions in Sapiens approaching the very unknown his instincts which carry us imprinted with mystery and magic miracles and mythologies through the oceans of thirsty cosmologies 6 Misunderstanding Misunderstanding Misunderstanding With these decided extra ambitions extra mobilizations and extra determinations let us proceed in a prophetic and messianic rush and possible alienation which by alienating us as a Species and possibly as an individual but this one can Re Sapientize us into the same Sapiens which is different and imperishable recognizing our own temporality as an ineluctable fragment of eternity torn apart and withdrawn into our own frailties and vulnerabilities by the Sapient into Selfness 7 Fragilities Fragilities Fragilities Through the present approach from SAPIENTOCHRISTIANITY REBUILD 1 of the origins and evolutions of human religions converging in a Sapientology of the SapientoHuman Species an attempt is made to withdraw a conceptological ideal a CAUSAL NOVUM in history that regards itself a CAUSAL LOGOS in the conceptological that rethinks itself through which the illuminative and the contemplative become their mutual chain of universe and becoming of revelation and rationality reborn within the same the endless diversities and complexities of the world 8 Vulnerabilities Vulnerabilities Vulnerabilities In order to know ourselves better we must face and confront ourselves in knowledge and faith in revelation and reason as if intertwining them with our individualized and generalized self in the wise to attack the very transfigurations that precede us which presents and predestines us the futures of lights mysteries and mythologies all being substantiated in their very genesis and becoming preserving itself reviving itself and endlessly enriching the corollas of wonders of the sapient and post sapient worlds 9 Disasters Disasters Disasters Further more extensive more deeper we finally attempt an integration of Homo Religiosus into Homo Anthropos and Homo Sapiens

through which the monolithic duality of Evolution of Genus Homo and Species Sapiens will be anthropologized sapientologized and theologized in the same conceptual sense of differentiation and selection in the same sense of evolutionary and creative uniqueness and singular unity and unitudness of Sapiens 10 Troubles Troubles Troubles Also we try to date the described events as accurately as possible with their historical geographic location and correlated with the personalities of the time in the Roman Empire all in terms of credibility and truthfulness conditions that were not fulfilled in the Old Testament raising many question marks about the events related 11 Plights Plights Plights As a conclusion in ANTHROPOSAPIENTIC THEOLOGISM the final chapter will benefit from a VIDEOLOGIZED TEXT with both scientific and religious pre existences as synthesis of EPISTEMOLOGICAL CHRISTIANITY or CHRISTIANITY OF RATIONAL REVELATION in which Science and Faith are intertwined in the human who has become a Sapient Human Being 12 Critical History Critical Sapiens Critical Christianity These twelve apostles of crisis these twelve angels of difficulties these twelve preachers of fragilities these twelve prophets of confusions these twelve teachers of unrealities these twelve sages of utopian history these twelve soothsayers of endlessly plights these twelve rhetoric of dys stressing of humanity all will be analysed in our set of classical books of virtual books and video books called SAPIENTOCHRISTIANITY REBUILD with number one two three and perhaps four It is useless to add that Sapiens will confront will face out the Sapiens itself and Christianity will confront will face out the Christianity itself by putting in and putting out the whole conceptological battlefield of our pillars of action of contemplation of praying and of rebuilding both of them for the history and historiology of Sapiens of Christianity and of SAPIENTO CHRISTIANITY in its togetherness It is no need to emphasize that in order to alleviate at least in part these dramatic developments in Sapiens and Christianity primarily it is necessary to make an ENRICHMENT of Sapiens and Christianity and this ENRICHMENT must change into a MOVEMENT therefore an ENRICHMENT MOVEMENT BEREICHERUNG BEWEGUNG must be the uppermost goal of our radical endeavour in saving of what finally could be saved Sapientochristianity Rebuilder **Scripture Re-envisioned: Christophanic Exegesis and the Making of a Christian**

Bible Bogdan Gabriel Bucur,2018-11-05 Scripture Re envisioned discusses the christological exegesis of biblical theophanies and argues its crucial importance for the appropriation of the Hebrew Bible as the Christian Old Testament The Emmaus episode in Luke 24 and its history of interpretation serve as the methodological and hermeneutical prolegomenon to the early Christian exegesis of theophanies Subsequent chapters discuss the reception history of Genesis 18 Exodus 3 and 33 Psalm 98 99 and 131 132 Isaiah 6 Habakkuk 3 2 LXX Daniel 3 and 7 Bucur shows that the earliest most widespread and enduring reading of these biblical texts namely their interpretation as christophanies manifestations of the Logos to be incarnate constitutes a robust and versatile exegetical tradition which lent itself to doctrinal reflection apologetics polemics liturgical anamnesis and doxology **Your Eucharistic Identity** Gregory Pine,2025-07-18 The Eucharist is no mere symbol It is the key to life More specifically it is the key to your very identity When we look carefully at the Blessed Sacrament under the

signs of bread and wine we discover that we were made not simply to receive God to be nourished by his gifts or to draw close to him In fact we were made to become Him In Your Eucharistic Identity Father Gregory Pine shows that Christ through the Sacrament divinizes us in our whole being But the Eucharist is not magic We have to receive the gift of his Eucharistic presence and preparing for such a great banquet requires time work and attention To become like Christ we must be ready to be given to others in a free radical gift of love Father Pine s sacramental guide to the fullness of life at once thought provoking and practical ancient and new offers Christians a simple clear guide for their path

A Heritage of Holy Wood: The Legend of the True Cross in Text and Image Barbara Baert, 2004-07-01 In the fourth century the idea arose that the Cross on which Christ was crucified had been found by Helena mother of Emperor Constantine Thus began a legend that would grow and flourish throughout the Middle Ages and cause the diffusion of countless splinters of holy wood And where there is wood there was once a tree Could it be that the Cross was made from that most noble species the Tree of Life So gathering characters along the way the legend evolved into a tale that stretches from the Creation to the End of Time A Heritage of Holy Wood is the first reconstruction of the iconographic and literary tradition of the Legend of the True Cross Its broad scope encompasses relic cults pilgrimages travellers tales and the Tree of Life and involves Church Fathers crusader kings Teutonic Knights and mendicant orders all of which influenced the legend s depiction from its earliest representation in manuscripts reliquaries and altarpieces to the great monumental cycles of the high Middle Ages If the holy wood was the medium of medieval memory A Heritage of Holy Wood reveals the growth rings of fifteen centuries of imagery
