Mystery Of A Hansom Cab:

THE MYSTERY OF A HANSOM CAB (Thriller Classic) Fergus Hume,2016-05-20 This carefully crafted ebook THE MYSTERY OF A HANSOM CAB Thriller Classic is formatted for your eReader with a functional and detailed table of contents The Mystery of a Hansom Cab is a mystery novel which takes place in Melbourne Australia It focuses on the investigation of a homicide involving a body discovered in a hansom cab as well as an exploration into the social class divide in the city The city of Melbourne plays a significant role in the plot and as the author describes Over all the great city hung a cloud of smoke like a pall Fergus Hume 1859 1932 was a prolific English novelist His self published novel The Mystery of a Hansom Cab became a great success It eventually became the best selling mystery novel of the Victorian era author John Sutherland terming it the most sensationally popular crime and detective novel of the century **The Mystery of a Hansom Cab** Fergus

Hume,2016-02-01 **The Mystery Of A Hansom Cab** Fergus Hume,2012-04-26 The Mystery of a Hansom Cab is the original blockbuster crime novel Set in the marvellous Melbourne of the late nineteenth century it tells a devilishly tricky tale

The Mystery of a Hansom Cab: A Story of One Forgotten Fergus Hume,2021-03-09 The Mystery of a Hansom Cab 1886 is a mystery novel by Fergus Hume An immediate bestseller for Hume The Mystery of a Hansom Cab is a gripping novel with an atmospheric intensity and tightly wound mystery worthy of the best of Victorian fiction Published the year before Arthur Conan Doyle s debut A Study in Scarlet 1887 Hume s novel became the first international bestseller to be published in Australia Adapted countless times for film theater radio and television The Mystery of a Hansom Cab is a classic detective story and a landmark in Australian literature In Melbourne Australia a cabman stops to pick up a presumably drunk passenger Helped into the cab by an unknown man who claims to be a friend the gentleman settles in for the ride homeward Accustomed to such things especially in the darkness of early morning the cabman begins his ride When he asks his passenger for directions however he receives no response and turns to find that the man is dead He drives straight to the local police station where Detective Gorby begins his investigation Was the friend in fact the murderer or was he simply a good Samaritan who believed he was helping a drunk man make it home When the killer is discovered however the mystery remains Over the story looms the shadow of the Frettlby family whose secrets threaten to smother all of Melbourne The Mystery of a Hansom Cab is a masterpiece of slow burning suspicion between the rich and the poor a story of law and those willing to break it With a beautifully designed cover and professionally typeset manuscript this edition of Fergus Hume s The Mystery of a Hansom Cab is a classic of Australian mystery and detective fiction reimagined for modern readers **The Mystery of a Hansom Cab** Fergus W. Hume,1935 [The Mystery of a Hansom Cab](#) Fergus W Hume,2017-03-19 The Mystery of a Hansom Cab takes place in Melbourne Australia and involves an investigation into a homicide after a corpse is discovered in the evening in a hansom cab The city of Melbourne plays a significant role in the plot and as the author describes Over all the great city hung a cloud of smoke like a pall The killer s identity is not as significant a revelation in the

story as are the roles of the influential and secretive Frettlby family and their secret they have an illegitimate daughter living on the streets The class divide between Melbourne s wealthy and less fortunate is addressed throughout the plot The protagonist in the novel is a policeman named Detective Gorby who is given the task of solving the murder As Hume describes the character s investigative skills He looked keenly round the room and his estimate of the dead man s character was formed at once The author commented in a later introduction All of the scenes in the book especially the slums are described from personal observation and I passed a great many nights in Little Bourke Street gathering material At this time the street had gained notoriety as a place frequented by prostitutes and criminals

The MYSTERY of a HANSOM CAB by FERGUS HUME Fergus Hume,2017-11-09 In its original form The Mystery of a Hansom Cab has reached the sale of 375 000 copies in this country and some few editions in the United States of America Notwithstanding this the present publishers have the best of reasons for believing that there are thousands of persons whom the book has never reached The causes of this have doubtless been many but chief among them was the form of the publication itself It is for this section of the public chiefly that the present edition is issued In placing it before my new readers I have been asked by the publishers thoroughly to revise the work and at the same time to set at rest the many conflicting reports concerning it and myself which have been current since its initial issue The first of these requests I have complied with and the many typographic and other errors which disfigured the first edition have I think I can safely say now disappeared The second request I am about to fulfil but in order to do so I must ask my readers to go back with me to the beginning of all things so far as this special book is concerned The writing of the book was due more to accident than to design I was bent on becoming a dramatist but being quite unknown I found it impossible to induce the managers of the Melbourne Theatres to accept or even to read a play At length it occurred to me I might further my purpose by writing a novel I should at all events secure a certain amount of local attention Up to that time I had written only one or two short stories and the Cab was not only the first book I ever published but the first book I ever wrote so to youth and lack of experience must be ascribed whatever was wanting in the book I repeat that the story was written only to attract local attention and no one was more astonished than I when it passed beyond the narrow circle for which it had originally been intended My mind made up on this point I enquired of a leading Melbourne bookseller what style of book he sold most of He replied that the detective stories of Gaboriau had a large sale and as at this time I had never even heard of this author I bought all his works eleven or thereabouts and read them carefully The style of these stories attracted me and I determined to write a book of the same class containing a mystery a murder and a description of low life in Melbourne This was the origin of the Cab The central idea i e the murder in a cab came to me while driving at a late hour to St Kilda a suburb of Melbourne but it took some time and much thought to work it out to a logical conclusion I was two months sketching out the

skeleton of the novel but even so when I had written it the result proved unsatisfactory for I found I had not sufficiently well concealed the mystery upon which the whole interest of the book depended In the first draft I made Frettlby the criminal but on reading over the M S I found that his guilt was so obvious that I wrote out the story for a second time introducing the character of Moreland as a scape goat Mother Guttersnipe I unearthed in the slums off Little Bourke Street and I gave what I am afraid was perhaps too vivid a picture of her language and personality These I have toned down in the present edition Calton and the two lodging house keepers were actual personages whom I knew very well and I do not think I have exaggerated their idiosyncracies although many have I believe doubted the existence of such oddities All the scenes in the book especially the slums are described from personal observation and I passed a great many nights in Little Bourke Street gathering material Having completed the book I tried to get it published but every one to whom I offered it refused even to look at the manuscript on the ground that no Colonial could write anything worth reading *The Mystery of a Hansom Cab*
