The Mystery of Jesus of Nazareth Agnes Ann Pastva, Loretta Pastva, 1982 **The Mystery of Jesus of Nazareth** Loretta Pastva, 1982 **Jesus of Nazareth** Loretta Pastva, 1992 Interpreting Jesus Gerald O'Collins, 2002-10-15 Interpreting Jesus draws on traditional teaching and the best scripture scholarship to construct a Christology which centers on the crucifixion and the resurrection of Jesus The aim is to explore and clarify what Christian belief in the risen Jesus as Son of God and Savior of the world originally meant and now continues to mean Special features include an excursus on the theological implications of the Shroud of Turin and a return to a theme which contemporary Christology has widely neglected the blood of Jesus and its redemptive symbolism The book ends by linking belief in Jesus with the non Christian world Father O Collins has previously written many articles and shorter works on Jesus Christ This Christology represents a mature climax of those earlier publications **The Life and Times of Jesus the Messiah** Alfred Edersheim, 1907 Jesus the Mystery Donald C. Jefferies, Pan Pacific Publications, 1991 Interpreting Jesus Gerald O'Collins SJ, 2002-10-15 Interpreting Jesus draws on traditional teaching and the best scripture scholarship to construct a Christology which centers on the crucifixion and the resurrection of Jesus The aim is to explore and clarify what Christian belief in the risen Jesus as Son of God and Savior of the world originally meant and now continues to mean Special features include an excursus on the theological implications of the Shroud of Turin and a return to a theme which contemporary Christology has widely neglected the blood of Jesus and its redemptive symbolism The book ends by linking belief in Jesus with the non Christian world Father O Collins has previously written many articles and shorter works on Jesus Christ This Christology represents a mature climax of those earlier publications *Heart to Heart* Peter John McGregor, 2016-05-13 In Behold the Pierced One Joseph Ratzinger recounts how the composition of a 1981 paper on the Sacred Heart of Jesus had led him to consider Christology more from the aspect of its spiritual appropriation than he had done previously Upon realizing that this same year was the 1300th anniversary of the Third Council of Constantinople he decided to study the pronouncements of this Council and came to believe that the achievement of a spiritual Christology had also been the Council's ultimate goal Ratzinger's conclusion in attempting to define a spiritual Christology was that the whole of Christology our speaking of Christ is nothing other than the interpretation of his prayer the entire person of Jesus is contained in his prayer The spiritual Christology subsequently developed by Ratzinger is one of communio Indeed it is one of theosis Through a personal and ecclesial participation in the prayer of Jesus exercised in purity of heart and consummated in the eucharistic celebration one comes into communion with Jesus Christ and all the members of his Body so that eventually one can say truly It is no longer I who live but Christ who lives in me Gal 2 20 *The Life and Times of Jesus the Messiah* Edersheim, 1894 Psychoanalysis, Phenomenological Anthropology and Religion Antoon Vergote, 2023-10-16 In this volume we have brought together some of the most important contributions of Antoon Vergote to the field of what is now called clinical psychology of religion Most of these contributions

were not published before in English. They cover the field in two ways. On the one hand, we selected some articles in which Vergote reflects about the foundations of the clinical psychology of religion. This first part of the book is about the psychoanalytic and philosophical anthropological approach of some major topics in the study of religion, e.g. mythical thinking and symbolisation, moral law and the idea of sin, religious experience. In this part, we also included a critical reflection about the classic psychoanalytic criticism of religion and about the epistemology and the limits of the psychology of religion. The second part, on the other hand, contains clinical empirical and psycho-historical studies about concrete religious phenomena. The first section of this part is amongst other topics about the psychological approach of the person Jesus, about the psychological profile of the priest and about some aspects of folk religiosity. The second section deals with problems in the field of mental health and religion: the differentiation of true and false mysticism, religion and psychopathology, and a psychological approach of the experience of visions and apparitions.
