Groucho might retort his cover is at the dry cleaner and besides Groucho is not one to hide his light under any bushel even one of stuffed clams So he and Frank Denby his sidekick scriptwriter and close friend set out to uphold their reputation as amateur sleuths by looking into the death of British director Eric Olmstead First Olmstead fainted at a star studded Halloween party after a man dressed as the Grim Reaper had whispered to him and then disappeared But it is not until the next day that he is found dead presumably by his own hand It is 1939 everyone expects the U S to join the war raging in Europe And everyone is looking under the bed for spies Soon the questions surrounding the death of Eric Olmstead takes on an odor of espionage The police call Olmstead s death a suicide After all he did leave a typed note His widow refuses to believe that her husband shot himself and persuades Groucho and Frank to look further Soon the pair is enmeshed in FBI agents and Los Angeles police while the grieving widow clamors for revenge Here is where Groucho proves his genius as a detective he seizes on the clue that reveals the death to be murder This however is only the beginning There is another murder Groucho and Frank are attacked Frank is shot at but not hit Groucho is hit but not shot at just knocked to the floor by the fleeing assailant They not only survive but they pinpoint the Nazi spy and the Hollywood figures working with them In a romp made delightful in spite of spies murders and occasional dire peril Goulart uncannily resurrects the most garrulous Marx brother and his unique brand of patter The Groucho Marx of these stories is the next best thing to the capering of the late comedian himself and a happy gift to everyone who remembers him fondly as well as those meeting him for the first time
