Mystery Of Womanhood:

The Mystery of Womanhood Amy Spalding Taylor,1980-04 **Mystery in Children's Literature** Adrienne E.

Gavin,Christopher Routledge,2001-02-20 The first book to assess critically mystery in children s literature this collection charts a development from religious mystery through rationally solved detective fictions to insoluble supernatural and horror mysteries Written by internationally recognised scholars in the field these thirteen original essays offer challenging and innovative readings of both classic and popular mysteries for children This volume will be essential and stimulating reading for anyone with an interest in children s literature or in mystery fiction *The Mystery of Mysteries* Samuel Coale,2000

Four American mystery writers have contributed new dimensions to the mystery form Tony Hillerman s Navajos and their customs Amanda Cross s Carolyn Heilbrun s academics and their feminist credentials or lack thereof James Lee Burke s Southern Louisiana Cajuns and his own fiercely moral take on Southern gothic fiction and Walter Mosley s urban blacks and their culture have challenged the conventional mystery s focus Using feminist and black critical theory mythic and historical patterns and literary genre theory Samuel Coale examines these writers works and investigates the compromises that each is forced to make when working within a recognizably popular literary form **The Eternal Woman** Gertrud Freiin von Le Fort,2010-01-01 When *The Eternal Woman* was first published in Germany Europe was a battlefield of modern ideologies that would sweep away millions of lives in war and genocide Denying the Creator who made male and female Nazism and Communism could only fail to appreciate the true meaning of the feminine and reduce woman to a mere instrument of the state In the name of liberating her from the so called tyranny of Christianity atheism in any form leads to woman s enslavement With penetrating insight Gertrud von le Fort understood the war on womanhood and consequently on motherhood that always coincides with an attack on the faith of the Catholic Church which she embraced at the age of 50 in 1926 In *The Eternal Woman* she counters the modern assault on the feminine not with polemical argument but with perhaps the most beautiful meditation on womanhood ever written Taking Mary Virgin and Mother as her model von le Fort reflects on the significance of woman s spiritual and physical receptivity that constitutes her very essence as well as her role in both the creation and redemption of human beings Mary s fiat to God is the pathway to our salvation as it is inextricably linked with the obedience unto death of Jesus her son Like the Son s acceptance of the Cross Mary s acceptance of her maternity symbolizes for all mankind the self surrender to the Creator required of every human soul Since any woman s acceptance of motherhood is likewise a yes to God when womanhood and motherhood are properly understood and appreciated the nature of the soul s relationship to God is revealed **Star-flowers, a Poem of the Woman's Mystery** Thomas Lake Harris,1886

Women's Mysteries Christine Downing,1992 Downing celebrates the gains and achievements of women psychologically speaking as they have been recovered reclaimed and repossessed by women over the past several decades Her title is itself a conscious appropriation in homage to a book Esther Harding wrote fifty years ago *Woman s Mysteries* and an extension of

her own much celebrated book *The Goddess Mythological Images of the Feminine* Rereading Women Sandra M. Gilbert, 2011-04-25 A collection of essays that reexamine literature through a feminist gaze from one of our most versatile and gifted writers Joyce Carol Oates We think back through our mothers if we are women wrote Virginia Woolf In this groundbreaking series of essays Sandra M Gilbert explores how our literary mothers have influenced us in our writing and in life She considers the effects of these literary mothers by examining her own history and the work of such luminaries as Charlotte Bront Emily Dickinson and Sylvia Plath In the course of the book she charts her own development as a feminist demonstrates ways of understanding the dynamics of gender and genre and traces the redefinitions of maternity reflected in texts by authors such as Elizabeth Barrett Browning and George Eliot Throughout Gilbert asks major questions about feminism in the twentieth century Why and how did its ideas become so necessary to women in the sixties and seventies What have those feminist concepts come to mean in the new century And above all how have our intellectual mothers shaped our thoughts today The Fortnightly ,1892 A Bride Adorned: Mary-Church Perichoresis in Modern Catholic Theology John L. Nepil, 2023-09-28 Starting in the early to mid nineteenth century Catholic theology witnessed a profound retrieval of patristic reflection on the interrelationship of the Virgin Mary and the Church This dynamic reached a doctrinal high point with the declarations of Vatican II and Pope Paul VI concerning Mary as type of the Church and Mother of the Church and it also provided the impetus for further theological exploration of the deeper unity of the Mother of Christ and his mystical body In *A Bride Adorned* John L Nepil examines how this interrelationship has been formulated in modern theology in terms of perichoresis a notion of unconfused reciprocity or interpenetration drawn from Christology and Trinitarian theology first applied to Mary and the Church by the nineteenth century German theologian Matthias Scheeben In the first part of the study Nepil treats the foundations of this formulation outlining its historical background and creative articulation by Scheeben The second part tracks developments of Scheeben's insight in the thought of twentieth century theological luminaries Charles Journet Hans Urs von Balthasar Louis Bouyer and Leo Scheffczyk each of whom distinctively articulate the shared conviction that neither Mary nor the Church can be understood apart from each other The third part draws out the far reaching doctrinal and pastoral implications of this deepened account of the Mary Church relation establishing its vital importance for ongoing theological and ecclesial renewal Through his careful engagement with these figures Nepil shows how Mary and the Church are to be understood as two realizations of a single mystery This vantage on Mary and the Church sheds new light on the vision of the Council Fathers at Vatican II and it charts a course for the Church's flourishing via a return to her Marian heart **Your Daughters Shall Prophecy** Todd Korpi, 2023-03-29 In *Your Daughters Shall Prophecy* Todd Korpi charts the course for what it means to come alongside female pastors and leaders in order to move beyond being a passive supporter to being a passionate advocate for Christian women Drawing from theology leadership studies practical experience and the testimonies of women in ministry Korpi addresses some of the most pressing issues in

egalitarian churches and organizations today He answers pressing issues such as Whether men really are the spiritual head of the home How our best intentions to help can actually harm women in ministry How Christians need a better script for lust power and sexuality
