East and the Middle East which tries to comprehend and chart the invisible forces of life is called Mysticism Some of the greatest revelations of all time have come to us from the mystical lands of ancient India China Tibet and Egypt These deeper mysteries have spread throughout the world laying the foundations upon which civilization was built Some of these great truths spread to Greece and influenced the philosophers of that ancient land They were to be found in ancient Japan and laid the foundations for Shintoism and Buddhism They became a part of the wisdom of Jerusalem which comprised the background of the ancient Jewish faith and ushered in the Christian dispensation Moses s laws of the Ten Commandments and Jesus s Golden Rule and Sermon on the Mount have permeated the laws and educational systems upon which our Western civilization has been built

MIRACLES PERFORMED BY GREAT MYSTICS OF THE PAST The great mystics like Moses Abraham and Jesus used some of these revelations which caused them to perform miracles in their time Turning a stick into a crawling serpent or changing water into wine walking on the water healing the sick all these miraculous forces showed the use of ancient white magic and transcendental spiritual forces that came directly from the mystical lands of India China Tibet and Egypt In fact the teachings of the Far East and Mid East preceded the teachings of the Christian mystic Jesus by several hundred years
