Mystical Interpretation Of Easter And Christmas 1933:

The Mystical Interpretation of Easter and Christmas Max Heindel, 2013-10 This is a new release of the original 1933 edition **Rays from the Rose Cross**, 1934 *Modern Psychology: October 1933-July 1935* Carl Gustav Jung, 1959

Cradle of Redeeming Love John Saward, 2011-03-18 Following up on his acclaimed Redeemer in the Womb John Saward returns to the mystery of Christ's Incarnation He draws upon the rich traditions of the Church as well as the writings of the great Christian mystics to create a work that is both new and old revolutionary and orthodox This profoundly moving meditation will aid any contemplation on the life of Christ The subject of this book is the objective and divinely revealed truth of the Nativity of Christ as proclaimed by His infallible and immaculate Bride It is the splendor of this truth of Love's noon in Nature's night which for two millennia has captivated the Fathers and Schoolmen and activated the genius of poets painters and musicians Illustrated with eight color paintings Combines Saward's usual profundity and precision with a treasure trove of texts from the tradition A comprehensive exposition of the Christmas mystery Anyone wanting to know the true meaning of the Incarnation and Christmas need look no further Aidan Nichols O P Author Looking at the Liturgy A profound theological meditation on the Incarnation as an anticipation of the joy in heaven Fr Kenneth Baker Editor Homiletic and Pastoral Review John Saward is on my very short list of preeminently important twentieth century Catholic writers His writing is always profound original and clear Thomas Howard Author On Being Catholic Cumulated Index to the Books, 1938 **Ressourcement Theology** Patricia Kelly, 2020-12-10 Ressourcement Theology A Sourcebook offers a collection of texts previously unavailable in English from leading Dominicans and Jesuits who initiated a movement for renewal that contributed to the reforms of the Second Vatican Council In the last decade theologians have undertaken a serious reappraisal of the contribution of Ressourcement theology to 20th century theology in the Catholic tradition and beyond This return to Ressourcement has resulted in many of the principal texts being translated into English and re issued ensuring their accessibility to scholars across the globe Despite this many of the earliest documents relating to the history of Ressourcement theology are unavailable to most English speaking scholars as they are largely journal articles and book chapters published in French Patricia Kelly has selected the most significant texts that so far have been unavailable in English including the controversial piece by Jean Marie LeBlond The Analogy of Truth that was condemned in the 1950s by the Vatican as well as the response to Labourdette's attack on LeBlond penned anonymously by a group of Jesuits All of these documents will help students and scholars to engage deeply with the history of the Ressourcement movement and its relevance for the developments of the Catholic tradition *On Dreams and the East* C. G. Jung, Heinrich Zimmer, 2025-01-14 Jung's landmark seminar on the symbolism of yoga and its applications to dream analysis In the summer of 1933 C G Jung conducted a seminar in Berlin attended by a large audience of some 150 people including several Jewish Jungians who would soon leave Germany Hitler had begun consolidating his position as dictator and these students were distressed at Jung's

recent decision to accept the presidency of a German professional psychotherapy society that was rapidly becoming Nazified and purged of Jews On Dreams and the East makes these seminar sessions widely available for the first time offering tantalizing insights into Jung's evolving understanding of yoga and the realization of the self The seminar commences with a presentation on the psychology of yoga by noted Indologist and linguist Heinrich Zimmer whose collaboration in these talks reflects Jung's growing engagement with the Hindu tradition particularly Tantric yoga Jung analyzes a series of dreams of a middle aged male patient focusing on mandalas and the centering process He reflects on related motifs in alchemical symbolism Navaho healing drawings Mithraism baptism symbolism the foundation of Rome ecclesiastic dances and labyrinths drawing connections with the symbolism of yoga and Tantra Featuring a richly documented introduction by Giovanni Sorge On Dreams and the East opens a window on Jung's deepening exploration of Eastern thought and the comparative study of the individuation process at a critical juncture in his life and work *Standard Catalog for Public Libraries* H.W. Copyright Office, 1934 *Teilhard Lexicon* Sion Cowell, 2004-06-01 Written to enable researchers and students to better understand the specialised language of Teilhard's transdisciplinary approach which he found himself compelled to develop as a means of expressing that extraordinary vision of a universe in process of convergence towards a cosmic centre of unity he identifies with the Cosmic Christ
