[Aspects of Occultism](#) Dion Fortune, 2025-09-12 When Dion Fortune wrote Aspects of Occultism occultism was an umbrella word used to describe hidden lore, secret traditions and arcane knowledge. Today when the word occult is often confused for cult and all its negative aspects Fortune's essays would be better referred to as esoteric studies. In this book she discusses evocative magic, the sites of Druid worship, parallels between Christianity and the Qabalah, the astral plane, auras, spiritual healing, power cycles and our relationship with the Higher Self. This revised edition includes a new introduction by Gareth Knight, an index and an additional essay by Fortune.

The Myth of the Round Table People familiar with Fortune's work will love this book.

The Sea Priestess Dion Fortune, 2025-09-12 The Sea Priestess is the highly acclaimed novel in which Dion Fortune introduces her most powerful fictional character Vivien Le Fay Morgan, a practicing initiate of the Hermetic Path. Vivien has the ability to transform herself into magical images and here she becomes Morgan Le Fay, sea priestess of Atlantis and foster daughter to Merlin. Desperately in love with Vivien, Wilfred Maxwell works by her side at an isolated seaside retreat investigating these occult mysteries. They soon find themselves inextricably drawn to an ancient cult through which they learn the esoteric significance of the magnetic ebb and flow of the moontides.

[The Training & Work of an Initiate](#) Dion Fortune, 2025-09-12 The Training and Work of an Initiate shows how from ancient Qabalistic, Greek and Egyptian roots the Western Esoteric Systems have an unbroken initiation tradition that has been handed down from adept to neophyte. In this book Dion Fortune indicates the broad outlines and underlying principles of these systems, illuminating an obscure and greatly misunderstood aspect of the path. Thanks to her teaching even those who cannot give their lives to the pursuit of esoteric science can still evolve a philosophy of life and discover their individual relationship to the cosmic whole. Revised edition contains a new introduction by Gareth Knight and an index.

Dion Fortune is a celebrated teacher of the Western Mystery Tradition. She founded a study group, The Society of Inner Light, which is still active in London today. She died in 1946.
