How to be a Bad Christian Dave Tomlinson, 2012-08-16 In the course of his work as a vicar Dave Tomlinson meets lots of people who describe themselves as not good enough to be a Christian thinking that faith involves going to church a lot or believing in a list of strange things or following certain rules But being a Christian isn t about any of that and actually following Jesus is a lot easier and more fun than most people think In this handbook to Christianity for people who describe themselves as spiritual but not necessarily religious Dave sketches out some key practices for how to be a bad Christian including how to talk to God without worrying about prayer how to read the Bible without turning off your brain and how to think with your soul rather than trying to follow rules With beautiful illustrations from artist Rob Pepper this is an accessible light hearted book but one with a powerful invitation to be the person you ve always wanted to be following a God you ve always hoped is on your side
