Mysticism A Variety Of Psychological Perspectives:

Mysticism ,2021-09-06 Although very different and coming from a range of academic backgrounds the contributors are nevertheless united in their attempts to understand more about mysticism from a perspective that puts the human being in the center Mysticism: A Variety Of Psychological Perspectives Jacob A. Belzen,2008 *Depth Psychology and Mysticism* Thomas Cattoi,David M. Odorisio,2018-05-16 Since the late 19th century when the new science of psychology and interest in esoteric and occult phenomena converged leading to the discovery of the unconscious the dual disciplines of depth psychology and mysticism have been wed in an often unholy union Continuing in this tradition and the challenges it carries this volume includes a variety of inter disciplinary approaches to the study of depth psychology mysticism and mystical experience spanning the fields of theology religious studies and the psychology of religion Chapters include inquiries into the nature of self and consciousness questions regarding the status and limits of mysticism and mystical phenomenon and approaches to these topics from multiple depth psychological traditions *The Oxford Handbook of Psychology and Spirituality* Lisa J. Miller,2024 This updated edition of The Oxford Handbook of Psychology and Spirituality codifies the leading empirical evidence in the support and application of postmaterial psychological science Lisa J Miller has gathered together a group of ground breaking scholars to showcase their work of many decades that has come further to fruition in the past ten years with the collective momentum of a Spiritual Renaissance in Psychological Science With new and updated chapters from leading scholars in psychology medicine physics and biology the Handbook is an interdisciplinary reference for a rapidly emerging approach to contemporary science Highlighting fresh ideas and supporting science this overarching work provides both a foundation and a roadmap for what is truly a new ideological age Alan Watts Here and Now Peter J. Columbus,Donadrian L. Rice,2012-06-01 Considers the contributions and contemporary significance of Alan Watts William James and The Varieties of Religious Experience Jeremy Carrette,2004-11-05 This new companion to William James The Varieties of Religious Experience offers contemporary responses to James s seminal book from key international experts The Cambridge Handbook of Sociocultural Psychology Alberto Rosa,Jaan Valsiner,2018-07-12 Sociocultural psychology is a discipline located at the crossroads between the natural and social sciences and the humanities This international overview of the field provides an antireductionist and comprehensive account of how experience and behaviour arise from human action with cultural materials in social practices The outcome is a vision of the dynamics of sociocultural and personal life in which time and developmental constructive transformations are crucial This second edition provides expanded coverage of how particular cultural artefacts and social practices shape experience and behaviour in the realms of art and aesthetics economics history religion and politics Special attention is also paid to the development of identity the self and personhood throughout the lifespan while retaining the emphasis on experience and development as key features of sociocultural psychology An Introduction to the Study of Mysticism Richard H. Jones,2021-12-01 2022 CHOICE
