Mythology And The Tolerance Of The Javanese:

Mythology and the Tolerance of the Javanese Benedict Richard O'Gorman Anderson, 1965 *Mythology and the Tolerance of the Javanese*, 1988 *Mythology and the Tolerance of the Javanese* Benedict R. O'G. Anderson, 1983

Republicanism, Communism, Islam John T. Sidel, 2021-05-15 In *Republicanism Communism Islam* John T Sidel provides an alternate vantage point for understanding the variegated forms and trajectories of revolution across the Philippines Indonesia and Vietnam a perspective that is de nationalized internationalized and transnationalized Sidel positions this new vantage point against the conventional framing of revolutions in modern Southeast Asian history in terms of a nationalist template on the one hand and distinctive local cultures and forms of consciousness on the other Sidel s comparative analysis shows how in very different decisive and often surprising ways the Philippine Indonesian and Vietnamese revolutions were informed enabled and impelled by diverse cosmopolitan connections and international conjunctures Sidel addresses the role of Freemasonry in the making of the Philippine revolution the importance of Communism and Islam in Indonesia s Revolusi and the influence that shifting political currents in China and anticolonial movements in Africa had on Vietnamese revolutionaries Through this assessment Republicanism Communism and Islam tracks how these forces rather than nationalism per se shaped the forms of these revolutions the ways in which they unfolded and the legacies which they left in their wakes

World History through Case Studies David Eaton, 2025-01-23 This innovative textbook demystifies the subject of world history through a diverse range of case studies Each chapter looks at an event person or place commonly included in comprehensive textbooks from prehistory to the present and from across the globe from the Kennewick Man to gladiators and modern day soccer and globalization and digs deeper examining why historians disagree on the subject and why their debates remain relevant today By taking the approach of unwrapping the textbook David Eaton reveals how historians think making it clear that the past is not nearly as tidy as most textbooks suggest Provocative questions like whether ancient Greece was shaped by contact with Egypt provide an entry point into how history professors may sharply disagree on even basic narratives and how historical interpretations can be influenced by contemporary concerns By illuminating these historiographical debates and linking them to key skills required by historians *World History through Case Studies* shows how the study of history is relevant to a new generation of students and teachers

Official History in Modern Indonesia Michael Wood, 2005-08-01 Dealing with New Order perceptions of the past this study gives insights into how the past can be used for purposes of national building and regime legitimization and into the nature of the New Order The Suharto regime created a coherent history that is reflected in recent archaeological and historical research in popular histories and biographies in monuments and in school textbooks The author describes an official history stretching from the proto Indonesia of Majapahit through the Indonesian Revolution up to the birth of the New Order in 1965 He also gives a counterview to this history stressing Indonesia s place in the larger Islamic world The past emphasized political stability and

national unity under the guidance of the military and socially disruptive ideas were to be avoided

Balinese Discourses on Music and Modernization Brita Heimarck Renee, 2013-08-21 While many Western scholars have discussed the technical aspects of Balinese music or the traditional contexts for performance little has been written in Western languages about Balinese discourses on their music This dissertation seeks to understand the experience of music in Bali according to Balinese voices through an analysis of oral and written dialogues on music mainly by musicians and dalangs shadow play puppeteers from the village of Sukawati scholars teachers administrators and students from the Indonesian College of the Arts STSI in the City of Denpasar The study examines the influence of modernization on the traditional arts and their role in society A concentration on Balinese discourses enables individual performers and scholars to represent themselves to a greater extent than previously seen in ethnomusicological scholarship making this study more of a critical discussion among equals than a Western interpretation of others This approach permits a rare view into contemporary Balinese conceptions and practices of music

Reformist Muslims in Yogyakarta Village Hyung-Jun Kim, 2007-03-01 This study examines the religious life of reformist Muslims in a Yogyakarta village The foci of this discussion are on Muslim villagers construction with the help of the reformist paradigm of the image of the good Muslim and Muslim ness on their efforts to incorporate an reformist Islamic framework to question taken for granted practices and ideas on the position of traditional practices and ideas and their relation to reformist Islam and on the interplay of villagers who show a strong commitment to reformist Islam with those who do not Another topic investigated in this study is the interactions between Muslim and Christian villagers and the impacts of Christian presence on the process by which Muslims define themselves their neighbours their religion and their religious community

Managing Cultural Landscapes Ken Taylor, Jane Lennon, 2012-02-13 One of our deepest needs is for a sense of identity and belonging A common feature in this is human attachment to landscape and how we find identity in landscape and place The late 1980s and early 1990s saw a remarkable flowering of interest in and understanding of cultural landscapes With these came a challenge to the 1960s and 1970s concept of heritage concentrating on great monuments and archaeological locations famous architectural ensembles or historic sites with connections to the rich and famous Managing Cultural Landscapes explores the latest thought in landscape and place by airing critical discussion of key issues in cultural landscapes through accessible accounts of how the concept of cultural landscape applies in diverse contexts across the globe and is inextricably tied to notions of living history where landscape itself is a rich social history record widening the notion that landscape only involves rural settings to embrace historic urban landscapes townscape examining critical issues of identity maintenance of traditional skills and knowledge bases in the face of globalization and new technologies fostering international debate with interdisciplinary appeal to provide a critical text for academics students practitioners and informed community organizations discussing how the cultural landscape concept can be a useful management tool relative to current issues and challenges With contributions from an international group of authors

Managing Cultural Landscapes provides an examination of the management of heritage values of cultural landscapes from Australia Japan China USA Canada Thailand Indonesia Pacific Islands India and the Philippines it reviews critically the factors behind the removal of Dresden and its cultural landscape from World Heritage listing and gives an overview of Historic Urban Landscape thinking

Voices in Bali Edward Herbst, 2012-12-20 A scholar and trained performer of Balinese vocal music and dance ethnomusicologist Edward Herbst brings unique talents to bear in this provocative book The lessons of his Balinese masters enable him to offer fresh insight to this culture's aesthetics and cultural elements

Appropriating John Cage's effective style of mixing theory anecdote context philosophy and humor Herbst crafts an accessible body of work compelling in substance and form By merging the Balinese concept of place time context with Cage's concepts of structure method and form Herbst returns to the critical issue of what scholars and intercultural artists are doing and what is their object under study Undergraduates and scholars in fields as varied as theater studies and anthropology will find this book and companion CD in print editions an important resource not only for its knowledgeable treatment of Balinese culture but as an example of a more personal and engaging style of scholarly discourse The ebook edition includes embedded audio
