Jet, 1997-06-23 The weekly source of African American political and entertainment news

Dwightmare Brian Schmitz, Orlando Sentinel Staff, 2012-06-12 As the last seconds ticked down at Bankers Life Fieldhouse in Indianapolis the most bizarre tumultuous and cursed season in the 23 year history of the Orlando Magic mercifully came to an end Coach Stan Van Gundy known to keep coaching until the final buzzer walked to the opposing bench with 10 seconds left in the lopsided playoff elimination game to congratulate young Frank Vogel coach of the Indiana Pacers Even more conspicuous than this rare mid game conciliatory gesture from Van Gundy was the absence of the team's most recognizable talented superstar Dwight Howard Howard had always talked about winning a championship and bringing joy to Orlando Despite this the face of the franchise did not show his face throughout the playoffs opting to undergo three weeks worth of rehabilitation in the Los Angeles area following his season ending back injury This sour finale was an ignominious ending matched only by this ill fated season's tumultuous beginning Entering training camp after a prolonged off season Howard stunned the team and town by delivering a defiant trade request to Magic management Even more devastating for Magic fans was that this request to be dealt to another team was vividly reminiscent of a similar event from a decade ago when the Magic's last franchise star center Shaquille O'Neal abandoned Florida for the Los Angeles Lakers Howard and the Magic for so long seemed like the perfect match and had even grown up together in many ways The 2004 NBA draft brought together a skinny devoutly religious teenage sensation and a squeaky clean family run ownership down on its luck Howard blossomed into a global superstar turning the Magic into contenders The city of Orlando embraced its new happy go lucky hero and fell in love with its basketball team again They were once inseparable as close as a player and a franchise could possibly be in today's NBA What followed was one of the most bizarre reality shows to befall any professional

sports team in memory with Howard taking the Magic on a wild emotional and confounding ride There was presidential like flip flopping a near trade an 11th hour reprieve farcical front office fumbling YouTube moments a drunk dialing accusation media shenanigans and one heart attack scare among other things And the soap opera is far from over Follow the Orlando Sentinel s unmatched coverage of this ongoing saga with Dwightmare Dwight Howard the Orlando Magic and the Season of Dysfunction From the very beginning of Howard s career through the ouster of coach Stan Van Gundy and general manager Otis Smith this book is the only place where the entirety of this saga s sordid details have been collected analyzed and boiled down to their bare facts Dwightmare is a must read for Orlando Magic and basketball fans everywhere **Yao Ming**

Chunfei Xiao,2004 NBA phenom Yao Ming s early years in China **Jet** ,1994-10-10 The weekly source of African American political and entertainment news *I Wore It With Pride* John Lluvera,2020-08-18 This book is my true story A story of a child born to an unemployed Puerto Rican musician and a feisty Puerto Rican woman who migrated to New York City in her early twenties 1946 from a small town in Puerto Rico called Fajardo Dad was born in New York and spoke fluid English while mom spoke very little English I was born in the inner city slums of New York City in the borough of Manhattan This area for the local residents was known as Spanish Harlem or better known as El Barrio It s a journey from no hope to full blown blessings and success Education support confidence and believing in yourself led the way out of poverty Allowing my inner self to guide me was vital Darkness and despair was usually followed by a sparkling bright light Failure was never an option Success was always the goal As a Police Officer every part of my personality was tested Police work in the 1960 s 70 s and 80 s was extremely dangerous and challenging but also fulfilling and rewarding as well The struggles between the peaks and valleys was real and impactful at the same time Crime was rampant and corruption within the New York City Police Department was alive and well As the years passed trying to maintain a healthy life style became more of a challenge than simply trying to age with grace and dignity This book will take you through 70 years of fighting and overcoming everything that life has to throw at you For does of you who were born and continue to reside in impoverished communities the struggle is real but don t ever give up Success and happiness is right around the corner **Jet** ,1993-07-19 The weekly source of African American political and entertainment news Sport Marketing 4th Edition Mullin, Bernard J.,Hardy, Stephen,Sutton, William,2014-05-02 Sport Marketing Fourth Edition With Web Study Guide has been streamlined and updated to keep pace with the latest information and issues in the competitive world of sport marketing This text maintains its position as the best selling and original text in the field continuing to direct students to a better understanding of the theoretical backbone that makes sport marketing such a unique and vibrant subject to study Using the new full color format and companion web study guide students will stay engaged as they explore how fans players coaches the media and companies interact to drive the sport industry
